Subject: Approval of UK CAA Supplement Manual Initial Issue.

Mr. Ivanitz

We have completed our evaluation of AAR Aircraft Services Windsor, UK CAA Supplement Manual, Original issue, and found it acceptable.

The Supplement combined with the TCCA CAR 573 Approved Maintenance Policy Manual forms the basis of acceptance by the United Kingdom Civil Aviation Authority (UK-CAA).

The supplement forms part of the applicant's obligations for UK-CAA Approval as specified in the Technical Arrangement on Maintenance (TA-M) and TCCA AC 573-006.

Therefore, pursuant to the Canadian Aviation Regulation (CAR), Part V, Subpart 73, Transport Canada approves AAR Aircraft Services, Windsor, UK CAA Supplement Manual, Original Issue.

Should you have any questions or concerns, do not hesitate to contact me.

Yours truly,

Mark Frost
