

S200 FLEX SHELTER

SPACEMAX
MAXIMUM MOBILE SHELTER TECHNOLOGY

SPACEMAX® S200 FLEX SHELTER

S200 Flex layout with optional furniture.

The S200 Flex shelter offers foldable, portable solutions for office or dormitory use. The S200 shelter is integrated with up to twelve beds or six office stations.

Purchased in pairs, two units combined by connectors form a single shipping container for easy transportation. A pair of 200 Flex Units provides the greatest amount of deployable work or dormitory space per shipping container footprint.

APPLICATIONS

The S200 Flex can be customized to meet mission requirements

- Dormitory – up to twelve beds
- Office – up to six stations

FEATURES

- Includes AC
- Purchased in pairs – two units combined by connectors to form a single shipping container

OPTIONS

- Mechanically assisted roof and floor deployment packages available
- Up to four windows
- One egress hatch
