ISU® 90KCI Dog Kennel

Single or Multi-dog Kennel for Military Working Deployments

Kennel Masters can safely and efficiently transport and billet up to 3 Military Working Dogs (MWD). The ISU® 90 KCI has four doors; two tall doors one on 108" side and two short doors on the other 108" side. Additional flip-up storage doors are located above the short doors to enable easy access to supplies.

Each kennel door has dog doors with an open bar gate for each MWD. Dog doors are vertical 2-way swinging with locking capacity installed on each kennel door.

- Solid flooring protects MWD foot and leg health
- On-board Environmental Controls (ECU)
- Portable pens for training
- Hazmat doors for equipment loading and inspections
