Subject: FAA Approval of ODA Procedures Manual, Revision W

Dear Mr. Pevida:

The OMT has completed its review of the ODA Procedures Manual changes requiring FAA approval as documented in your letter, TIM-26-0008, dated February 12, 2026. The primary change in this revision is to update the ODA legal name from ZIM Aircraft Cabin Solutions, LLC to Aircraft Reconfig Technologies (ART), LLC. We have determined that your submitted data meets Code of Federal Regulations (CFR) 14 Part 183, Subpart D – Organization Designation Authorization. Therefore, the Federal Aviation Administration (FAA) approves the following:

Document Name: ART ODA Procedures Manual
Document Number: TAM0010
Revision Level: W

As part of the name change for the ODA, we are also reissuing the Letter of Designation for ART, with no change to the expiration date. Should you have any questions or concerns about the approval of this Manual Revision, please feel free to contact me via email at vu.h.tran@faa.gov.

Sincerely,

VU H TRAN
