## Sr Rotating Equipment Technician (with Certifying Staff development path)

### The position

- We are looking for a skilled Mechanic or Technician with NDO (Non-Destructive Testing) We are looking for a **Senior Technician** with experience in aircraft rotating equipment—such as pumps, motors, and actuators—who is ready to take the next step and grow into a **Certifying Staff role** at AAR. You'll play a vital part in overhauling critical components while receiving in-house training and support to become certified under EASA Part-145 regulations.
- Overhaul, inspect, and test rotating aircraft components
- Lead complex repair projects and support team troubleshooting
- Coach and guide junior team members
- Ensure compliance with all technical and safety procedures
- Participate in AAR's internal training program toward Certifying Staff qualification

### Total rewards

As an AAR team member your rewards include:

- Competitive salary based on experience
- 8% holiday allowance and 7% end-of-year bonus
- Profit-sharing opportunities
- Flexible start time between 6:00 AM and 9:00 AM
- 27 vacation days + 3.5 additional ADV days
- Comprehensive pension plan
- Supportive team culture focused on growth and innovation

### Performance objectives

- **Technical leadership** – manages complex tasks and contributes technical expertise
- **Growth-oriented** – motivated to become certified through training and development
- **Mentorship** – shares knowledge with junior technicians

- **Precision** – delivers accurate documentation and quality results
- **Standards-focused** – ensures all work aligns with AAR's safety and compliance goals

## Education and experience

- MBO level 4 or higher in mechanical or aerospace engineering
- Minimum 5 years' experience with rotating equipment in aerospace or similar field
- Strong technical documentation skills
- Willingness to follow Certifying Staff training under EASA Part-145
- Fluent in Dutch and English
- We are looking for a candidate who lives in The Netherlands, preferably in or near Hoofddorp

## Why should you apply?

At AAR, "Doing it right" means putting quality, safety, and people first. You'll be part of a global leader in aviation where your leadership makes a real difference every day.
