Aircraft Interior Technician

The position

We are looking for an Aircraft Interior Technician to be responsible for preparing and performing Interior repairs, maintenance and upgrades on aircraft.

Other key responsibilities include:

- Receive the plane and follow procedures to prepare the plane for upgrades or maintenance as directed by the Supervisor;
 - Become familiar with and follow the requirements of the Maintenance Process Manual (MPM), Federal Aviation Regulations, Airworthiness Directives, manufacturer's service bulletins and any other required references to perform their assigned work.
 - Ensure the work area is kept to the highest standards of safety compliance at all times, enforcing regulations and practices to avoid accidents. Ensure that good housekeeping practices are performed at all times;
 - Perform the proper tagging of Aircraft components, parts and panels appropriately stored (including racks by aircraft);
 - Perform documentation procedures and sign-offs in accordance with MPM and respective task requirements;
 - Strive for continuous process improvements and increasing efficiencies in execution and delivery with safety as a priority;
 - Maintain close and frequent communication with the Supervisor, notifying them of progress and any road-blocks or threats to task accomplishment that could impact re-delivery;
 - Interact with customers in a cordial, respectful and professional manner;
 - Ensure the highest quality service, safety standards and performance, with the objective of exceeding customer satisfaction in the re-delivery of airworthy, reliable and clean aircraft, in a timely manner;
- Other duties as assigned.

Total rewards

As a team member, you receive:

- Pay Range \$19.18 to \$23.82/hr, eligible for overtime
- Applicable Shift premium
- Comprehensive benefits package

- RRSP Contribution – employee and employer
- Annual uniform
- Annual uniform and safety boot allowance
- Paid time off benefits, including 11 company paid holidays
- Third-party discounts
- Relocation assistance may be provided, if required
- Training and development opportunities and education assistance program
- Staff engagement and recognition events

Performance objectives

- **Teamwork** – collaborates with colleagues to achieve results and is also comfortable working independently
- **Building trust** – operates with integrity, discloses own positions, remains open to ideas, and supports others through dignity, respect, and fairness
- **Building relationships and partnerships** – develops and leverages relationships within and across teams to achieve results
- **Communication** – conveys information and ideas clearly and concisely to individuals or group in an engaging manner, helping them understand and retain the message
- **Quality orientation** – accomplishes tasks by considering all areas involved, no matter how detailed
- **Sound professional judgement** – applied to problem solving, analyzing and decision making

Skills, Qualifications and Competencies

- Must have High School diploma or equivalent;
- Proficiency in Micro-Soft, Word, Excel, and Outlook;
- Ability to utilize computer systems to input and retrieve information to perform normal daily activities;
- Must have own set of tools and toolbox (specialty and calibrated tools provided)
- Ability to use the tools of the trade with good manual dexterity;
- Strong attention to detail;
- Strong communication skills with an ability to communicate with fluency in English;
- Demonstrated ability to work independently and within a team environment;
- Self-starter and organized;
- Positive attitude & strong work ethic
- Must have own tools

Working Conditions

- Daily work activities are performed on the hangar floor;
- Ability to safely lift up to 50 lbs;
- Shift work;
- Overtime as required;
- Utilizing computers to look up manual references and parts.

Why should you apply?

- AAR is the only aerospace / defense company on Forbes' America's Best Mid-Size Employers list.
- Our innovative and entrepreneurial culture encourages employee input in every aspect, from day-to-day activities to the company's future growth.

- Our learning and career development program affords employees a learning path with the necessary tools and resources needed to help build their career at AAR.
- We support non-profits and organizations that work to improve society in four primary areas: veterans and active military; education with an emphasis on STEM; health and wellness; and diversity / inclusion.
