

# Distribution – Government

AAR Distribution is a top global resource for factory-new, expendable, and repairable parts for military and government aircraft operators worldwide. We are the first aftermarket services company to be awarded a Department of Defense Captains of Industry (COI) contract. We are also the largest independent OEM partner with world-class defense sales channel capabilities.

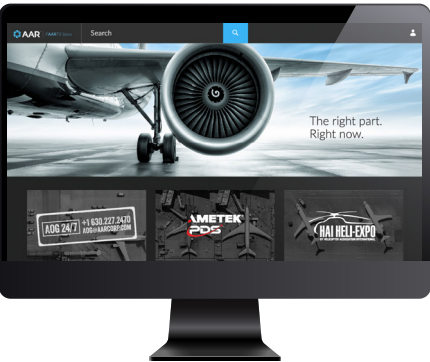

Manufacturer	Description	CAGE Code	Website
✓ Ametek Power & Data Systems	Leading manufacturer of components for power generation and distribution, data acquisition, indicators and displays, RF amplifier modules, and broadband solid state amplifier systems.	61349, 97424, 0BKR5	Ametekpds.com
✓ Collins (Goodrich) De-Icing Systems	Industry leader in de-ice boot solutions with content on regional, business, general aviation, and military aircraft platforms	0AJJ0	Goodrichdeicing.com
Collins Aerospace	Leading supplier for turbo fans and rotors, environmental and engine, control systems spares, electrical systems spares, actuation and propeller systems spares, fuel system parts accessories, fire protection for military platforms	12511, 89305, 99167	Collinsaerospace.com
✓ Eaton Corporation (FED)	Leading supplier for hydraulic hoses, and components, ducting, and sealing, pressure switches, transducers, system sensing, and debris monitoring	00624, 02750, 08118, 8W928, 15284, 16780, 97484	Eaton.com
GE Aviation	Leader in aftermarket products for aviation, aerospace and military products for consumable spare parts and components	19623	Geaviation.com
Icon Aerospace Technology	Specialized in elastomeric solutions including aerodynamic seals, fire seals, bellows, aerial refueling hoses, oxygen breather and G-Suit hoses, as well as other ducting and hose solutions	U0619	Iconaerotech.com
LORD Corporation	Leading supplier for vibration and motion control, isolators, mounts, and shimmy dampers, rotary wing and fixed wing, ground vehicles and support	76005, 30061, 1L965	Lord.com
Meggitt Aircraft Braking Systems	Industry leader in wheels and brakes, parts and spares	0B9R9, K1037	Meggitt.com
Northrop Grumman	Leading supplier in E-2C/D airframe parts, E-2C/D accessories / spares	26512, 70974	Northropgrumman.com
Ontic	Leading supplier manufacturing and procurement of legacy products, specializes in low volume, high mix manufacturing with a wide range of aircraft technology	U0J60, 45934	Ontic.com
✓ Pall Corporation	Leading global provider in high-tech filtration, separation and purification products to aerospace and military applications worldwide	U0088, 18350	Pall.com
✓ Pratt & Whitney	Industry leader in manufacturing auxiliary power units, parts, and accessories, jet fuel starters, parts, and accessories	55820	Prattwhitney.com
Rubbercraft	Specialized elastomeric solutions including polymer seals and gaskets, tooling for composites, eye-guards for electro-optics, conductive (EMI) elastomers, and custom engineered solutions	77969	Rubbercraft.com
Seal Science	Leader in providing technology solutions for mechanical and electrical systems including structural subsystem design, signature management and electromechanical interference (EMI) shielding products	65219	Sealscience.com
SKF	Leader in rolling bearings and related technologies including sealing solutions, lubrication systems and services	80201	skf.com
Trelleborg Aerospace	Polymer Solutions provider for the Aerospace and Helicopter industries specific to flight controls, actuation, landing gear, fuel controls, engines, airframe, and rotor applications.	04827, 09257, 0ZU05 64422, F0235, K6134 U1068, 63226, R2160 64235, 1K407, 07322	trelleborg.com
✓ Unison	Industry leader in the design and manufacturing of turbine ignition systems, wiring harnesses, engine-dedicated alternators, sensors, switches, metal tubing and ducting	59501, 83311	Unisonindustries.com
Woodward	Leading aviation services provider to aerospace and governments worldwide	66503	Woodward.com
