The Subcontract will be deemed accepted by Subcontractor upon the first to occur (i) Subcontractor's written acceptance of the Subcontract; or (ii) Subcontractor's commencement of performance under the Subcontract. In either such event any additional or different terms proposed by Subcontractor are rejected unless expressly approved in writing by an Authorized AAR Procurement Official. No communication from Subcontractor that in any way differs from or adds to the Subcontract, irrespective of whether or not AAR seasonably objects thereto, will be binding upon AAR unless such different or additional

Subcontractor must make any request, with a fully supported proposal, for an equitable adjustment of price or schedule in writing to AAR within ten (10) business days from the date of AAR's written notification to Subcontractor of the change or such further time as AAR may allow in writing. Subcontractor shall then have fifteen (15) days; from the date it submitted its request to AAR for an equitable adjustment to submit a fully supported proposal. Subcontractor's failure to adhere to the time deadline in submitting its equitable adjustment proposal shall waive Subcontractor's right to seek and equitable adjustment. Pending any equitable adjustment, Subcontractor shall proceed in accordance with the change order. 6. INSPECTION AND ACCEPTANCE

a. Inspection: Both AAR and AAR's customer may at any time (e.g., before, during or after manufacture or completion) inspect and test any or all Products or Services ordered hereunder with reasonable notice. Such inspection and/or test may occur at Subcontractor's location. All Products or Services shall be subject to final acceptance by AAR. Inspections shall be performed in such a manner as not to delay Subcontractor's performance unduly. In the case of rejection of any Products or Services, neither AAR nor AAR's customer, shall be liable for any reduction in value of samples used in connection with such inspection or test. No inspection or test or review or approval by AAR or AAR's customer shall relieve Subcontractor of any of its obligations under the Subcontract, or constitute a waiver of any defects or nonconformities.

b. Rejected Products or Services: Rejected Products or Services may, at the option of AAR, be returned to Subcontractor at Subcontractor's expense for outbound and inbound shipments with risk of loss or damage upon Subcontractor, or be accepted with an equitable adjustment in price. Upon rejection, Subcontractor shall immediately refund previous payments if applicable. Subcontractor shall not resubmit rejected Products or Services for acceptance without a concurrent notice to AAR of the prior rejection. If, after request by AAR, Subcontractor fails to promptly replace or correct any rejected Products or Services, AAR at its sole discretion (1) may replace or correct such Products or Services, and charge to Subcontractor the cost incurred by AAR in doing so, or (2) may, without further notice, terminate the Subcontract for cause, in accordance with Clause 14, Termination for Cause. c. Final Acceptance: Except as otherwise agreed in writing, all Products or Services provided under the Subcontract shall be subject to final inspection and acceptance by AAR and AAR's customer. Final acceptance by AAR of the Products or Services provided hereunder shall take place only after complete delivery of all Products or Services in accordance with the delivery schedule specified herein or later agreed upon by the parties in writing and after final inspection of those Products or Services by AAR and AAR's customer. Final acceptance shall be contingent upon agreement by AAR and the AAR customer that the Products or Services conform to the requirements of the Subcontract. Final acceptance by AAR shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Subcontractor that a nonconformity or defect would be or had been cured or did not exist, acceptance induced by false or negligent assurances of Subcontractor, or as otherwise provided in the Subcontract or applicable law. Payment to Subcontractor does not constitute Final acceptance. Final acceptance by AAR of the Products or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Subcontractor hereunder.

d. Risk of Loss, Damage or Destruction (LDD): Subcontractor shall bear the risk of loss, damage or destruction to any Products, components or Services while in Subcontractor's care, custody or control until they are delivered in conformity with the Subcontract at the F.O.B. destination point stated in the Subcontract. (If not otherwise stated, destination point shall be AAR's facility or F.O. B. AAR facility). Upon such delivery, Subcontractor's responsibility for loss or damage to the Products or Services shall cease except for loss or damage resulting from Subcontractor's negligence or fault. In the event of component loss, damage or destruction, within 36 hours of becoming aware of the LDD incident, the SELLER will issue a Lost, Damaged, and/or Destroyed Report to the BUYER. Within thirty (30) calendar days of submittal of an LDD Report, SELLER will provide a credit, as calculated by BUYER, to the BUYER for the value of the material lost or destroyed. Notwithstanding the foregoing, Subcontractor shall remain responsible for risk of loss of any nonconforming or rejected Products or Services, unless such loss, destruction, or damage results from the sole negligence of AAR.

Any other coverage available to AAR shall apply on an excess basis. Subcontractor agrees that Subcontractor, Subcontractor's insurer(s) and anyone claiming by, through, under or on Subcontractor's behalf shall have no claim, right of action or right of subrogation against AAR and AAR's Customer based on any loss or liability insured against under the foregoing insurance.

d. Unless contrary terms appear on the face hereof, all items subject to this Order shall be F.O.B. Origin (Incoterms 2020). No acts of AAR including, without limitation, modifications of this Order or acceptance of late deliveries shall constitute a waiver of this provision by AAR. For avoidance of doubt, risk of loss shall not pass to AAR until the goods actually have been received and accepted by AAR at the destination specified. All shipments shall be made as specified and strictly in accordance with the time or times for delivery specified in the Order.
