4. ACCEPTANCE – MODIFICATION OF TERMS

The Subcontract constitutes acceptance of Subcontractor's offer and such acceptance is expressly made conditional on Subcontractor's assent to the terms and conditions contained in the Subcontract. The Subcontract will be deemed accepted by Subcontractor upon the first to occur (i) Subcontractor's written acceptance of the Subcontract; or (ii) Subcontractor's commencement of performance under the Subcontract. In either such event any additional or different terms proposed by Subcontractor are rejected unless expressly approved in writing by an Authorized AAR Procurement Official. 5. CHANGES

Changes in the terms and conditions of this Subcontract may be made only by written agreement of the parties.

- a. Equitable Adjustment: If any such change causes a variation in the cost of performance or the time required for performance, AAR may make an equitable adjustment in the Subcontract price and delivery schedule (except as otherwise provided herein) and the parties' shall modify the Subcontract in writing accordingly. Subcontractor must make any request, with a fully supported proposal, for an equitable adjustment of price or schedule in writing to AAR within ten (10) business days from the date of AAR's written notification to Subcontractor of the change or such further time as AAR may allow in writing. Subcontractor shall then have fifteen (15) days; from the date it submitted its request to AAR for an equitable adjustment to submit a fully supported proposal. Subcontractor's failure to adhere to the time deadline in submitting its equitable

adjustment proposal shall waive Subcontractor's right to seek an equitable adjustment. Pending any equitable adjustment, Subcontractor shall proceed in accordance with the change order. The parties' failure to agree to any adjustment shall be a dispute concerning a question of fact covered by the clause entitled, Dispute Resolution.

6. INSPECTION AND ACCEPTANCE

- a. Inspection: Both AAR and AAR's customer may at any time (e.g., before, during or after manufacture or completion) inspect and test any or all Products or Services ordered hereunder with reasonable notice. Such inspection and/or test may occur at Subcontractor's location. All Products or Services shall be subject to final acceptance by AAR. Inspections shall be performed in such a manner as not to delay Subcontractor's performance unduly. In the case of rejection of any Products or Services, neither AAR nor AAR's customer, shall be liable for any reduction in value of samples used in connection with such inspection or test. No inspection or test or review or approval by AAR or AAR's customer shall relieve Subcontractor of any of its obligations under the Subcontract, or constitute a waiver of any defects or nonconformities.
- b. Rejected Products or Services: Rejected Products or Services may, at the option of AAR, be returned to Subcontractor at Subcontractor's expense for outbound and inbound shipments with risk of loss or damage upon Subcontractor, or be accepted with an equitable adjustment in price. Upon rejection, Subcontractor shall immediately refund previous payments if applicable. Subcontractor shall not resubmit rejected Products or Services for acceptance without a concurrent notice to AAR of the prior rejection. If, after request by AAR, Subcontractor fails to promptly replace or correct any rejected Products or Services, AAR at its sole discretion (1) may replace or correct such Products or Services, and charge to Subcontractor the cost incurred by AAR in doing so, or (2) may, without further notice, terminate the Subcontract for cause, in accordance with Clause 14, Termination for Cause. The foregoing remedies shall in no way preclude or prejudice the exercise of any other right or remedy that AAR may have at law, in equity or under the Subcontract.
- c. Final Acceptance: Except as otherwise agreed in writing, all Products or Services provided under the Subcontract shall be subject to final inspection and acceptance by AAR and AAR's customer. Final acceptance by AAR of the Products or Services provided hereunder shall take place only after complete delivery of all Products or Services in accordance with the delivery schedule specified herein or later agreed upon by the parties in writing and after final inspection of those Products or Services by AAR and AAR's customer. Final acceptance shall be contingent upon agreement by AAR and the AAR customer that the Products or Services conform to the requirements of the Subcontract. Final acceptance by AAR shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Subcontractor that a nonconformity or defect would be or had been cured or did not exist, acceptance induced by false or negligent assurances of Subcontractor, or as otherwise provided in the Subcontract or applicable law. Payment to Subcontractor does not constitute Final acceptance. Final acceptance by AAR of the Products or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Subcontractor hereunder.
- d. Risk of Loss: Subcontractor shall bear the risk of loss or damage to the Products or Services until they are delivered in conformity with the Subcontract at the F.O.B. destination point stated in the Subcontract. (If not otherwise stated, destination point shall be AAR's facility or F.O. B. AAR facility). Upon such delivery, Subcontractor's responsibility for loss or damage to the Products or Services shall cease except for loss or damage resulting from Subcontractor's negligence or fault. Notwithstanding the foregoing, Subcontractor shall remain responsible for risk of loss of any nonconforming or rejected Products or Services, unless such loss, destruction, or damage results from the sole negligence of AAR.
- e. Title: Except as otherwise stated in this Subcontract, title to all Products or Services furnished under this Subcontract shall pass to AAR upon final acceptance regardless of when or where AAR takes physical possession of the items.

Any other coverage available to AAR shall apply on an excess basis. Subcontractor agrees that Subcontractor, Subcontractor's insurer(s) and anyone claiming by, through, under or on Subcontractor's behalf shall have no claim, right of action or right of subrogation against AAR and AAR's Customer based on any loss or liability insured against under the foregoing insurance.

- c. No Effect on Indemnification Obligations: Subcontractor's obligation to obtain the insurance specified in this Clause does not waive or release Subcontractor's liabilities or duties to indemnify under this Subcontract.

8. INDEMNIFICATION

- a. General: Subcontractor acknowledges that, as an independent contractor, it is furnishing Products or Services to AAR which may be subject to certain local, state, Federal, and foreign laws and regulations. All shipments shall be made as specified and strictly in accordance with the time or times for delivery specified in the Order. In the event that Supplier is actually or potentially unable to make delivery by the date required on the Order, it will immediately notify AAR in writing. AAR reserves the right to cancel or modify the Order, and make arrangements for completion of performance and/or purchase of substitute goods elsewhere.
