

**AAR GOVERNMENT SERVICES, INC.**  
**General Supplemental Terms for the WASS Program**

Except as may be expressly set forth in this Subcontract with the Government Contracting Officer's express consent, the Seller shall not acquire any direct claim or direct course of action against the US Government. Seller shall include in each lower-tier subcontract the appropriate flow down clauses as required by the Federal Acquisition Regulation (FAR).

E.3 Seller Self Reporting of Non-Compliant Services, Data, and Supplies

The Seller shall identify and explain the cause of any non-compliant action and the Seller's plan to resolve the issue(s).

E.4 Government Quality Assurance at Seller Level

The Seller shall comply with the requirements of this clause and provide all requested requirements as may be required below in the performance of the Subcontract.

In accordance with FAR 46.405, the Government reserves the right to conduct quality assurance functions at the Seller level. Government's performance of quality assurance functions at the subcontract level:

- A. Does not relieve the prime contractor of any responsibilities under the contract;
- B. Does not waive the Government's right to accept or reject supplies or services;
- C. Does not establish a contractual relationship between the Government and the Seller; and
- D. Does not affect the contractual relationship between the prime contractor and the Government, or between the prime contractor and the Seller.
- E. When requested in writing by the Contracting Officer, the prime contractor shall arrange for timely Government access to Seller facilities, personnel, and records needed to perform quality assurance.

H.5 Export Restrictions

- A. The Seller shall comply with all U.S. export control laws and regulations, including the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR), 15 CFR Parts 730 through 799, in the performance of this subcontract. In the absence of available license exemptions/exceptions, the Seller shall be responsible for obtaining the appropriate licenses or other approvals, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance.
- B. The Seller shall be responsible for obtaining export licenses, if required, before utilizing foreign persons in the performance of this contract.
- C. The Seller's responsibility to comply with all applicable laws and regulations regarding export-controlled items exists independent of, and is not established or limited by, the information provided by this clause.
- D. The Seller shall be responsible for all regulatory record keeping requirements associated with the use of licenses and license exemptions/exceptions.
- E. Nothing in the terms of this contract adds, changes, supersedes, or waives any of the requirements of applicable Federal laws, Executive orders, and regulations, including but not limited to—
  - 1) The Export Administration Act of 1979, as amended (50 U.S.C. App. 2401, et seq.);
  - 2) The Arms Export Control Act (22 U.S.C. 2751, et seq.);
  - 3) The International Emergency Economic Powers Act (50 U.S.C. 1701, et seq.);
  - 4) The Export Administration Regulations (15 CFR Parts 730-774);
  - 5) The International Traffic in Arms Regulations (22 CFR Parts 120-130);
  - 6) Executive Order 13222, as extended;
  - 7) Trading with the Enemy Act (50 U.S.C. App.5 (b) as amended by the Foreign Assistance Act of 1961);
  - 8) Export and Import of Nuclear Equipment and Material (10 CFR part 110);
  - 9) Regulations administered by the Office of Foreign Assets Control (31 CFR parts 500 through 598); and
  - 10) The Espionage Act (37 U.S.C. 791 et seq.)
  - 11) The Seller shall include the substance of this clause, including this paragraph (f), in all subcontracts.

H.6 Safeguarding of Information

- A. The Seller and its employees shall exercise the utmost discretion in regard to all matters relating to their duties and functions. They shall not communicate to any person any information known to them by reason of their performance of services under this subcontract which has not been made public, except in the necessary performance of their duties or upon written authorization of the Subcontracts Manager. All documents and records (including photographs) generated during the performance of work under this subcontract shall be for the sole use of and become the exclusive property of the U.S. Government. Furthermore, no article, book, pamphlet, recording, broadcast, speech, television appearance, film or photograph concerning any aspect of work performed under this subcontract shall be published or disseminated through any media without the prior written authorization of the Subcontracts Manager. These obligations do not cease upon the expiration or termination of this subcontract. The Seller shall not refer to this award in any public or private advertising without the prior written approval of the Subcontracts Manager. Media communication releases pertaining to any aspect of the award or performance there under shall not be made without the prior written approval of the Subcontracts Manager.
- B. Requests for authorization shall be in writing and shall identify the specific information to be released, the medium to be used, the proposed recipients, and the purpose for the release. The Seller shall submit its request to the Subcontracts Manager at least 60 calendar days before the proposed date for release.
- C. The Seller agrees to immediately notify the Subcontracts Manager in writing in the event the Seller determines or has reason to suspect breach of this requirement.
- D. Seller shall include the substance of this clause in all contracts of employment and in all subcontracts hereunder.

#### H.9 Laws and Regulations

Compliance Required – The Seller shall, without additional expense to AAR, be responsible for complying with all laws, codes, ordinances, and regulations applicable to the performance of the work, including those of the host country, and with the lawful orders of any governmental authority having jurisdiction. Host country authorities may not enter the facilities without the permission of the Government Contracting Officer. Unless otherwise directed by the Contracting Officer, the Seller shall comply with the more stringent of the requirements of such laws, regulations and orders and of the subcontract. In the event of a conflict among the subcontract and such laws, regulations and orders, the Seller shall promptly advise the AAR Subcontracts Administrator/Buyer of the conflict and of the Seller's proposed course of action for ultimate resolution by the Government Contracting Officer.

Labor, Health and Safety Laws and Customs – The Seller shall comply with all local labor laws, regulations, customs and practices pertaining to labor, safety, and similar matters, to the extent that such compliance is not inconsistent with the requirements of this subcontract.

Evidence of Compliance – Proper documentation and evidence satisfactory to the Government Contracting Officer of compliance with this clause shall be submitted by the Seller at such times as directed by the AAR Subcontracts Administrator/Buyer.

#### H.31 Seller Commitments, Warranties, and Representations

Any written commitment by the Seller within the scope of this contract shall be binding upon the Seller. Failure of the Seller to fulfill any such commitment shall render the Seller liable for liquidated or other damages due to the Government under the terms of this contract. For the purpose of this clause, a written commitment by the Seller is limited to the proposal submitted by the Seller, and to specific written modifications to the proposal. Written commitments by the Seller are further defined as including (1) any warranty or representation made by the Seller in a proposal as to hardware or software performance; total systems performance; and other physical, design, or functional characteristics of equipment, software package or system, or installation date; (2) any warranty or representation made by the Seller concerning the characteristics or items described in (1) above, made in any publications, drawings, or specifications accompanying or referred to in a proposal; and (3) any modification of or affirmation or representation as to the above which is made by the Seller in or during the course of negotiations, whether or not incorporated into a formal amendment to the proposal.

#### H.32 Warranties

With respect to all warranties, express or implied, from sellers, manufacturers, or suppliers for work performed and materials furnished under this contract, the Seller shall:

- A. Obtain all warranties specified in this contract and under each task order. If warranty requirements are not specified, the Seller shall obtain warranties given in normal commercial practice;
- B. Require all warranties to be executed, in writing, for the benefit of the Government, unless otherwise directed by the AAR Subcontracts Administrator/Buyer; and
- C. Track and enforce all warranties for the benefit of the Government, unless otherwise directed by the AAR Subcontracts Administrator/Buyer.

#### H.36 Provisions for Tracking Iraq Security Costs (11/01/2008)

Note: To be completed at the Task Order Level

Seller is required to include in their Task Order proposal(s) a breakout list of all costs expected to be incurred for private security goods or services that the Seller obtained as part of Subcontract performance. This applies to all such costs that are necessary for successful Subcontract performance, whether or not such costs are specifically required by this Subcontract. This breakout must also separately list any additional charges that will be charged the government for obtaining these goods and/or services. The breakout must include separate sections for the base period of performance, each option period of performance, and each option increase in quantity that is included on task order request for proposals. Examples of such goods or services include, but are not limited to:

- A. Personal security detail;
- B. Security and security-related communications equipment;
- C. Security training;
- D. Static guard services;
- E. Fully armored vehicles and/or light armored vehicles;
- F. Personal protection equipment such as helmets, flak jackets; and/or
- G. Security modifications to residential and office facilities, including but not limited to protective barriers, e.g. blast walls.

#### H.40 Defense Transportation System (DTS)

- A. The Seller shall, when shipping through the use of military-controlled transport or through military transshipment facilities, comply with Department of Defense (DoD) Regulation 4500.9-R, Defense Transportation Regulation Part II.
- B. The Seller shall not ship directly to a military air or water port terminal without written authorization from the Government Contracting Officer's Representative, through AAR Subcontracts Administrator/Buyer.

#### H.42 Section 508 Compliance

- A. All electronic and information technology (EIT) products or services furnished under this Subcontract (and any resultant TO) shall comply with the Section 508 Accessibility Standards (36 CFR 1194). The Seller shall, at no cost to AAR and/or the Government, repair or replace any non-compliant products or services within the period of time specified by AAR Subcontracts Administrator/Buyer. Information about Section 508 is available at <http://www.section508.gov/>. The complete text of Section 508 Final Provisions can be accessed at <https://www.access-board.gov/ict/>.
- B. All exceptions to paragraph (a) must be approved in writing by the Contracting Officer, through AAR Subcontracts Administrator/Buyer. When requesting an exception, the Seller shall provide written documentation to AAR Subcontracts Administrator/Buyer addressing the exception standards in FAR 39.204.

#### H.43 Bio-Based Products

The Seller shall comply with Section 9002 of the Farm Security and Rural Investment Act of 2002 (FSRIA), Executive Order (EO) 13423, "Strengthening Federal Environmental, Energy, and Transportation Management," and the Federal Acquisition Regulation to provide bio based products (see FAR clause 52.223-2 and FAR provision 52.223-1). The Seller shall utilize products and material made from bio based materials (e.g., bio based greases, bio based hydraulic fluids, bio based absorbents) to the maximum extent possible without jeopardizing the intended end use or detracting from the overall quality delivered to the end user. All supplies and materials shall be of a type and quality that conform to applicable Federal specifications and standards.

#### H.44 Ozone-Depleting Substances

Government sources of supply may be utilized for purchases necessary in the performance of this Subcontract upon written approval of the Government Contracting Officer, through AAR Subcontracts Administrator/Buyer. See in this respect, FAR 52.251-1 (Government Supply Sources).

H.46 Government Furnished Property

- A. Notwithstanding any term or condition of this Subcontract to the contrary, the Government (and/or AAR) will provide only that property set forth below for use in the performance of this Subcontract:
- B. Government-furnished property, if provided, will be identified at the task order level.
- C. If provided, the Seller shall not use Government-furnished property for any purpose other than execution of work under this Subcontract.
- D. Property condition, classification codes, and site ID codes are included in attachment J.6.

H.48 Government Furnished Data

- A. The Government shall provide to the Contractor, and AAR will provide to the Seller, the Government-furnished data described in paragraph (d) below. The Contracting Officer may at any time by written order:
  - 1) Delete, supersede, or revise; in whole or in part, data listed in paragraph (d) below.
  - 2) Add items of data as applicable.
  - 3) Establish or revise due dates for items of data or information as applicable.
- B. If the data listed below or as modified during Subcontract performance are not delivered to the Seller, AAR Subcontracts Administrator/Buyer may equitably adjust affected provisions of this Subcontract when:
  - 1) The Seller submits a timely written request for an equitable adjustment; and
  - 2) The facts warrant an equitable adjustment.
- C. Title to Government-furnished data shall remain in the Government. The Seller shall use the Government furnished data only in connection with this Subcontract.
- D. The following data will be furnished to the Seller on or about the time indicated below:
- E. Government-Furnished Data, if provided, will be identified at the task order level.
