- h. "Buyer Personal Information" shall mean any information or data provided to Supplier or its agents, representatives, or subcontractors in connection with the Agreement, any Order and the transactions thereunder that relate to any identified or identifiable natural person, or, to the extent of a conflict with applicable law, that is subject to any Data Privacy Laws.
- i. "Confidential Information" means any information that the disclosing Party designates as confidential or that, under the circumstances of its disclosure, the receiving party should reasonably consider as confidential, subject to the exceptions provided in Section 9(b). Confidential Information includes, without limitation, (a) information,

whether oral or written, and whether or not noted thereon to be confidential, exchanged between the Parties pursuant to this Agreement or any Purchase Order or during the negotiations of the Parties in respect of and preceding the entering of this Agreement, including without limitation, process or operational information, calculations and analyses, contract information, engineering data and the like; (b) the terms and conditions of this Agreement and the Purchase Orders; (c) financial and business information of the disclosing Party; (d) any drawings, data, design, specifications, and other technical information, and (e) information received from others that the disclosing Party is obligated to keep confidential.

- j. "Customer" means any Customer of the BUYER, including but not limited to United States Government, or a domestic or foreign end user of the Services procured hereunder.
- k. "Data Privacy Laws" shall mean applicable national, federal, state and provincial laws relating to data privacy, the protection of personal information or data, and the cross-border transfer of personal information or data, including, without limitation, the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the laws and regulations of the European Union member states under the European Union Directive 95/46/EC (the "EU Directive"), the General Data Protection Regulation ("GDPR"), and any European Union law or regulation that may be enacted to replace the EU Directive or the GDPR.
- l. "Delivery Date" means the date of delivery for Services as specified in an Order and/or by the Delivery System.
- m. "Delivery System" means BUYER's computer-based, web-enabled delivery scheduling system or, alternatively, other paper-based communication system.
- n. "Derived Technical Data" means information that is (i) of non-U.S. origin but subject to U.S. jurisdiction, and (ii) in any form necessary for the design, development, production, operation, modification or maintenance of Services, as set forth in applicable ITC Laws. Derived Technical Data can include, but is not limited to, drawings, specifications, or operation sheets that contain U.S.-origin data or that were developed using U.S.-origin data.
- o. "FAA" means the U.S. Federal Aviation Administration.
- p. "Facilities" means Buyer's facilities or the facilities of Buyer's Customers.
- q. "Intellectual Property" means all inventions, patents, software, copyrights, mask works, industrial property rights, trademarks, trade secrets, know-how, proprietary information and rights and information of a similar nature. Such information includes, without limitation, designs, processes, drawings, prints, specifications, reports, data, technical information, and instructions.
- r. "Party" or "Parties" shall mean Buyer and/or Supplier, individually or collectively, as the context requires.
- s. "Prime Contract" means the government or commercial sales contract between Buyer and Buyer's Customer and its customers.
- t. "Purchase Order" means an electronic document sent by Buyer to Supplier, or where provided for in this Agreement, an entry on a Buyer web site, to initiate the ordering of Services, such as a purchase order, a scheduling agreement, a statement of work or other authorization or Order, and including change notices, supplements or modifications thereto. The phrase "in connection with the Order" includes performance of the Order, performance in anticipation of the Order, and preparation of a bid or proposal for the Order. Where the context permits, the term Order includes Agreement.

- u. "Prices" mean the prices (including any applicable adjustments or discounts) for the Products and/or Services as specified in Exhibit B, which amounts include (unless otherwise expressly provided in this Agreement) all sums due for the supply and delivery of Products and/or Services to BUYER, including without limitation, any palletization charges, taxes, freight and shipping costs.
- v. "Processing" or "Processes" means with respect to UTC Information, to use, access, manipulate, modify, disclose, store (including backup), transmit, transfer, retain and dispose of such UTC Information.
- w. "Requirements" means the actual Customer prime or higher tier contract orders that may necessitate the procurement of the Services listed in the attached Exhibits.
- x. "Supplier" means the entity set forth in the preamble above.
- y. "Services" means services described in Orders, the purchase of which is governed by the terms of this Agreement and will be deemed to include, without limitation, all related work product, goods and deliverables, including, without limitation, software, technology, drawings, data reports, manuals, other specified documentation, or items that are necessary and incidental to, or required to be delivered pursuant to, or in connection with, an Order.
- z. "Similar Quantities" means quantities of services in the amounts/ranges in this Agreement.
- aa. "Site-Specific Safety Standards" means BUYER's site-specific safety, health or environment procedures or requirements. BUYER reserves the right to amend, revise or change the Site Specific Safety Standards in its reasonable discretion.
- bb. "Specifications" means all requirements with which Services and performance hereunder must comply, including, without limitation, as applicable, P&W quality requirements, as such requirements are specified and/or referenced in this Agreement and Purchase Orders, as such requirements are modified from time to time.
- cc. "Supplier Personnel" shall mean Supplier's employees, agents, representatives, subcontractors, subcontractor employees, or any other person used by Supplier in the performance hereof.
- dd. "Systems" means Buyer's or Buyer's Customer's and its customer's computer based information systems, computer systems, databases and/or files.
- ee. "Taxes or Tax" means any and all sales, use, personal, property, real property, value added, goods and services (GST), consumption, turnover, stamp, documentary, interest equalization, business, occupation, excise, income, corporation, profits, gains, gross receipts, or other taxes, fees, withholdings, imposts, levies, duties or other charges of any nature whatsoever, together with any penalties, fines or interest thereon or similar additions thereto, imposed, levied or assessed by any government, governmental, semi-governmental or other relevant authority or otherwise payable on or in respect of the delivery/supply by Supplier of the Products and/or Services to the BUYER.
- ff. "Technical Data" means information that is necessary for the design, development, production, operation, modification or maintenance of Services as set forth in applicable ITC Laws. "Technical Data" includes Derived Technical Data.
- gg. "Term" means the period of effectivity of this Agreement.

2. ENTIRE AGREEMENT

Subcontractor agrees to the following General Provisions, and Subcontractor further agrees that the terms and conditions of the Subcontract and any documents (including these General Provisions and any plans, specifications, schedules, regulations, etc.) attached to or incorporated by reference into the Subcontract shall constitute the entire agreement between

the parties hereto and supersede all prior agreements relating to the subject matter hereof. Subcontractor represents and warrants that in entering the Subcontract, Subcontractor does not rely on any previous direct or implied representation, inducement, or understanding of any kind.

3. ORDER OF PRECEDENCE

To the extent there are any conflicts among the provisions within the Subcontract, such conflicting provisions shall prevail in the following order of precedence: Subcontract or Purchase Order; Special Provisions as identified in the Supplemental Terms; These General Provisions; Statement of work or any other attachments when attached or incorporated by reference; Specifications.

4. ACCEPTANCE – MODIFICATION OF TERMS

The Subcontract constitutes acceptance of Subcontractor's offer and such acceptance is expressly made conditional on Subcontractor's assent to the terms and conditions contained in the Subcontract. The Subcontract will be deemed accepted by Subcontractor upon the first to occur (i) Subcontractor's written acceptance of the Subcontract; or (ii) Subcontractor's commencement of performance under the Subcontract. In either such event any additional or different terms proposed by Subcontractor are rejected unless expressly approved in writing by an Authorized AAR Procurement Official. No communication from Subcontractor that in any way differs from or adds to the Subcontract, irrespective of whether or not AAR seasonably objects thereto, will be binding upon AAR unless such different or additional terms are incorporated into a writing signed by both AAR and Subcontractor, making express reference to the Subcontract.

5. CHANGES

Changes in the terms and conditions of this Subcontract may be made only by written agreement of the parties.

- a. Equitable Adjustment: If any such change causes a variation in the cost of performance or the time required for performance, AAR may make an equitable adjustment in the Subcontract price and delivery schedule (except as otherwise provided herein) and the parties' shall modify the Subcontract in writing accordingly. Subcontractor must make any request, with a fully supported proposal, for an equitable adjustment of price or schedule in writing to AAR within ten (10) business days from the date of AAR's written notification to Subcontractor of the change or such further time as AAR may allow in writing. Subcontractor shall then have fifteen (15) days; from the date it submitted its request to AAR for an equitable adjustment to submit a fully supported proposal. Subcontractor's failure to adhere to the time deadline in submitting its equitable adjustment proposal shall waive Subcontractor's right to seek an equitable adjustment. Pending any equitable adjustment, Subcontractor shall proceed in accordance with the change order. The parties' failure to agree to any adjustment shall be a dispute concerning a question of fact covered by the clause entitled, Governing law and Jurisdiction.

6. DELIVERY, TITLE, AND RISK OF LOSS

Supplier will deliver the Products to BUYER at the Delivery Point on or before the Delivery Date. Time is of the essence of Supplier's performance of this Agreement. Risk of loss of the Products remains with Supplier and title will not pass to BUYER until the Products are delivered to and accepted by BUYER at the Delivery Point.

- a. Inspection and Rejection. All Products shall be received subject to BUYER's inspection and approval. Products that are not in good condition, damaged by delivery or rejected by BUYER as not conforming to this Agreement shall be returned to Supplier at Supplier's risk and expense and shall not be replaced by Supplier without the BUYER's

written authorization. All Products shall, before delivery, be subject to inspection, tests, and audits by BUYER or its agent at reasonable times and places. Supplier agrees to provide access for BUYER to its facilities at all reasonable times for such inspection, tests, and audits, and, at no additional cost, to provide all assistance and facilities reasonably necessary to perform the same. Neither the inspection, testing, or auditing of any Products, nor the failure to do so, before delivery to BUYER shall constitute acceptance of any Products, or relieve Supplier from exclusive responsibility for furnishing Products in strict conformance with the BUYER's specifications. Supplier warrants that it has and will maintain an adequate quality control/assurance program with respect to the production and delivery of Products and that it creates and maintains adequate quality control/assurance reports, certificates, affidavits, and other such records relating to the Products. Supplier agrees that, upon request and at no additional charge, it will promptly furnish authenticated copies thereof, as well as applicable certificates of conformance and/or compliance acceptable to BUYER, at the time of, or promptly after, delivery.

- b. Upon inspection, BUYER may give Supplier notice of rejection or revocation of acceptance, notwithstanding any payment, passage of title, approval, prior test or inspection. No inspection, approval, test, delay or failure to inspect or test, or failure to discover any defect or other nonconformance, shall relieve Supplier of any obligations under this Agreement or impair or waive any right or remedy of BUYER with respect to Supplier's performance hereunder. If, in BUYER's judgment, the Products do not conform with the requirements of this Agreement, BUYER shall have the right to reject the Products and, in addition to any other rights and remedies it may have, BUYER may, in its sole discretion: (1) return any or all nonconforming Products to Supplier for reimbursement, credit, replacement, or repair as BUYER may direct; (2) correct, rework, and/or repair the Products with all costs associated therewith to be charged to and paid by Supplier; or (3) hold any or all nonconforming Products, at Supplier's risk and expense, for disposal or correction according to Supplier's instructions. Any Products rejected by BUYER and returned to Supplier shall be returned, at Supplier's risk and expense, with the cost of packaging, handling, inspection, examination, transportation and any other costs incidental thereto to be charged to and paid by Supplier. Such Products shall not thereafter be tendered to BUYER for acceptance unless the previous rejection and requirement of correction are disclosed to BUYER in writing. All such nonconforming Products that are so remedied will have the same warranty as stated in Section 4 from the date of re-delivery.

7. COMPLIANCE

- a. In supplying the Products and/or Services, Supplier will: (a) comply with and ensure that Supplier's Personnel comply with all Applicable Laws; all reasonable directions and orders given by BUYER's representatives; and all data protection, drug and alcohol, safety, health and environment guidelines, rules and procedures provided to Supplier by BUYER, including, without limitation, any applicable Site Specific Safety Standards; (b) obtain at Supplier's expense any necessary licenses or permits for the supply of the Products and/or Services pursuant to this Agreement; (c) not interfere with any of the activities conducted at BUYER's property; (d) ensure that all of Supplier's Personnel complete any applicable BUYER's safety induction and visitors' site orientation programs before entering BUYER's property; (e) where BUYER is required to comply with any Applicable Laws with respect to its use of the Products, Supplier shall, upon written notice from BUYER, cooperate with BUYER in providing information or certification of

the Products. Supplier agrees to obtain any required licenses or approvals and, unless otherwise agreed between the parties elsewhere in this Contract, the payment of all associated duties, taxes and fees. BUYER has the right to require Supplier to remove from any of BUYER's premises any of Supplier's Personnel who have violated any safety rule.

- b. Supplier warrants that in the performance of this Agreement and the Purchase Orders, it will comply with all applicable U.S. Department of Transportation regulations on hazardous materials and any other pertinent federal, state, or local statutes, laws, rules, or regulations; and Supplier further agrees to save BUYER harmless from any loss, damage, fine, penalty, or expense whatsoever that BUYER may suffer as a result of Supplier's failure to comply with this warranty. The foregoing is in addition to and not in mitigation of any other requirements of this Agreement and the Purchase Orders.
- c. Supplier shall obtain and maintain all registrations, licenses and permits required to perform the work under this Agreement and the Purchase Orders.
- d. If Supplier is a U.S. company that engages in the business of either manufacturing or exporting defense articles or furnishing defense services Supplier hereby certifies that it has registered with the U.S. Department of State Directorate of Defense Trade Controls and understands its obligations to comply with International Traffic in Arms Regulations ("ITAR") and the Export Administration Regulations ("EAR").
- e. Supplier shall control the disclosure of and access to technical data, information and other items received under this Agreement in accordance with U.S. export control laws and regulations, including but not limited to the ITAR. Supplier agrees that no technical data, information or other items provided by BUYER in connection with this Agreement shall be provided to any foreign persons or to a foreign entity, including without limitation, a foreign subsidiary of Supplier, without the express written authorization of BUYER and Supplier's obtaining of the appropriate export license, technical assistance agreement or other requisite documentation for ITAR controlled technical data or items. It shall be the responsibility of Supplier, with BUYER's reasonable assistance, to determine whether the information provided by BUYER is technical data as outlined in the ITAR (22 CFR 120-130) prior to any release to a third party abiding by the terms outlined herein.
- f. Supplier shall immediately notify BUYER if it is or becomes listed on any Excluded or Denied Party List of an agency of the U.S. Government or its export privileges are denied, suspended or revoked.
- g. Should Supplier's Services originate from a foreign location, those goods may also be subject to the export control laws and regulations of the country in which the articles or services originate. Supplier agrees to abide by all applicable export control laws and regulations of that originating country. BUYER shall be responsible for complying with any laws or regulations governing the importation of the articles into the United States of America.
- h. BUYER may be required to obtain information concerning citizenship or export status of Supplier's personnel. Supplier agrees to provide such information as necessary and certifies the information to be true and correct.

8. ETHICS

- a. Supplier acknowledges that BUYER is committed to ethical and fair conduct in all business dealings, without exception. To that end, BUYER maintains a Supplier Code of Business Conduct and Ethics (the "Code"), a copy of which will be provided to BUYER upon request. Supplier shall at all times comply fully with the Code and the

requirements outlined within Section 7.2 Supplemental Supplier Code of Conduct, without exception. Failure to so comply shall constitute a material breach of this Agreement, entitling BUYER to terminate immediately and without further liability to Supplier whatsoever.

- b. SUPPLEMENTAL SUPPLIER CODE OF CONDUCT. Supplier shall adopt and comply with a code of conduct or policy statement regarding business conduct, ethics and compliance that satisfies, at a minimum, the principles and expectations set forth in the United Technologies Corporation Supplier Code of Conduct available at the UTC Supplier Site at the following URL: <http://www.utc.com/Suppliers/Pages/Supplier-Code-of-Conduct.aspx> (“Supplier Code of Conduct”).
- c. Supplier shall have management systems, tools and processes in place that (i) ensure compliance with applicable laws and regulations and the requirements set forth in the Supplier Code of Conduct; (ii) promote an awareness of and commitment to ethical business practices, including, without limitation, the expectations set forth in the Supplier Code of Conduct; (iii) facilitate the timely discovery, investigation (including cooperation with any BUYER initiated investigation involving Supplier), disclosure (to BUYER and others as appropriate) and implementation of corrective actions for violations of law, regulations, this Agreement, an Order, or the expectations set forth in the Supplier Code of Conduct; and (iv) provide training to its employees on compliance requirements, including the expectations set forth in the Supplier Code of Conduct.
- d. The Parties recognize that the above URL may change from time to time and agree that any such change will not affect the applicability of the material referenced. BUYER agrees to provide the new URL upon Supplier’s request in the event of a change.

9. WARRANTIES

- a. SELLER warrants to BUYER that all Services provided under or in connection with an Order: (i) have been, if applicable, and will be performed in a professional and workmanlike manner and in accordance with current, sound and generally accepted industry standards and practices by appropriately licensed, trained, supervised and personnel who are experienced in the appropriate fields; (ii) do, if applicable, and will conform to and be in compliance with all applicable Specifications, performance requirements and other requirements contained in the Order; and (iii) do not infringe any patent, copyright, trademark, or other proprietary right of any third party or misappropriate any trade secret of any third party (the “Service Warranty”).
- b. SELLER agrees that should any of the Services be defectively performed by SELLER, SELLER will re-perform or correct such defective Services at no additional charge. In the event of failure by SELLER to correct defects in or replace nonconforming Services promptly, BUYER, after receiving written notice of approval from the SELLER, may make such correction or replace such Services and charge SELLER for the cost incurred by BUYER thereby.
- c. To the extent SELLER’s delivery of Services includes materials or goods, SELLER further warrants that: (i.) The materials or goods shall conform to all specifications and requirements under this Contract and shall be free from defects in materials; (ii.) The materials or goods shall be free from liens or encumbrances; and (iii.) The materials or goods shall not contain any viruses, malicious code, trojan horse, worm, time bomb, self-help code, back door, or other software code or routine designed to: (a) damage, destroy or alter any software or hardware; (b) reveal, damage, destroy, or alter any data; (c) disable any computer program automatically; or (d) permit unauthorized access to any software or hardware. If within the applicable warranty period, any such

products is found to be defective in material or workmanship, SELLER shall, if it confirms existence of the valid warranty claim, repair or, at its option, replace such defective product at its expense and with reasonable promptness.

- d. SELLER warrants to BUYER that all documentation and certifications by SELLER or SELLER's subcontractors or business partners related to the Services and Order, as applicable, are current, complete, truthful, and accurate and have been signed or stamped, as applicable, by individuals authorized and qualified to sign or stamp such documentation and certifications.
- e. Except for permits and/or licenses required by statute or regulation to be obtained by BUYER, SELLER agrees to obtain and maintain - at its own expense - all permits, licenses and other forms of documentation required by SELLER in order to comply with all existing national, state, provincial or local laws, ordinances, and regulations, or of other governmental agency, which may be applicable to SELLER's performance of work hereunder. BUYER reserves the right to review and approve all applications, permits, and licenses prior to the commencement of any work hereunder.
- f. This warranty shall begin upon BUYER's final acceptance of the Services and shall survive inspection, test and payment for the Services. For minor and major repairs, this warranty shall extend for the period of time specified for the component and service within Exhibit A Pricing from the delivery of such goods by SELLER or first operation, whichever first occurs. BUYER shall give SELLER prompt notice after discovery of any defect or nonconformance in the Services. This warranty shall run to BUYER and its successors, assigns and customers. In the event of defective or non-conforming Services, SELLER may, at its option and expense, either (i) correct, replace or re-performance of any defective or nonconforming Services, or (ii) make an equitable adjustment in the price of this Agreement. Any Services corrected, replaced or re-performed shall be subject to the requirements of this Agreement to the same extent as Services initially performed; provided, that only the balance of the original warranty period shall apply to the component.
- g. SELLER's warranty excludes damage from submersion, misapplication of power, maintenance performed contrary to specifications, lack of required scheduled maintenance, abnormal wear, foreign object damage, excessive corrosion due to lack of proper preservation, Acts of God, misuse, abuse and neglect, improper packaging and other unusual conditions that are not the result of SELLER's negligence or misconduct.

DISCLAIMER. THE WARRANTIES SET FORTH IN THIS WARRANTY PROVISION AND THE OBLIGATIONS AND LIABILITIES OF SUPPLIER THEREUNDER, ARE EXPRESSLY IN LIEU OF, AND BUYER HEREBY WAIVES AND RELEASES SUPPLIER FROM, ANY AND ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR INTENDED USE, WITH RESPECT TO SUPPLIER'S PERFORMANCE HEREUNDER. NO AGREEME

10. INSURANCE

- a. Minimum Insurance Requirements: Without limiting Supplier's duty to hold harmless and indemnify hereunder, Supplier agrees to secure and carry as a minimum the following insurance with respect to all work to be performed under the Agreement and any Order for the duration of the Agreement and any Order: (i) Workers' Compensation Insurance, in an amount sufficient by virtue of the laws of the U.S., foreign country, state, or other governmental subdivision in which the work or any portion of the work is performed and Employer's Liability Insurance in the minimum amount of \$1,000,000 for any one occurrence; (ii) Commercial General Liability Insurance including Premises Liability and contractual Liability, in which the limit of liability for property damage and

bodily injuries, including accidental death, shall be at a minimum, a combined single limit of \$5,000,000 for any one occurrence; (iii) if Supplier vehicles are used on BUYER's premises and/or used to accomplish work under the Order or otherwise on behalf of BUYER, Automobile Liability Insurance in which the limit of liability for property damage and bodily injuries, including accidental death, shall be a combined single limit of \$2,000,000 for any one occurrence; (iv) if Supplier or its subcontractors have BUYER's materials or equipment in its care, custody or control, Supplier or such subcontractors shall have and maintain All-Risk Property Insurance in an amount sufficient to meet or exceed the value of such material; and (v) if Supplier is providing product, component parts, materials, services or work to be incorporated in aircraft where such products, parts or materials are classified as Flight Safety Parts (FSP) or its equivalent or having Critical Characteristics (CC) or its equivalent in accordance with the current revision of ASQR-01, ASQR-09.1 and/or any documents referenced therein: Supplier shall maintain Aircraft Product Liability, Completed Operations Liability and, if applicable to the Goods or Services, Hangarkeepers Liability Insurance coverage in a minimum amount of Combined Single Limit of \$250,000,000 for any one occurrence and in the aggregate where applicable, including AV52 coverage (War Risks Insurance). Such insurance shall remain in effect for two (2) years after the expiration or termination of the Order.

- b. All such insurance shall be issued by companies authorized to do business under the laws of the State or jurisdiction in which all or part of the Services are to be performed, and must have an AM Best financial rating of A- or better or an equivalent rating as produced by another rating agency acceptable to BUYER.
- c. The insurance coverages described above shall be in form satisfactory to BUYER, and shall contain a provision prohibiting cancellation or material change except upon at least 10 days' prior notice to BUYER. All such insurance policies will be primary in the event of a loss arising out of Supplier's performance of work and shall provide that where there is more than one insured the policy will operate, except for the limits of liability, as if there were a separate policy covering each insured and shall operate without right of contribution from any other insurance carrier by BUYER. Certificates evidencing such insurance and endorsements naming AAR CORP., AAR Supply Chain, Inc., United Technologies Corporation, Pratt & Whitney, and its and their affiliates and subsidiaries as additional insureds with respect to Supplier's liability insurance policies covering Supplier's indemnity obligations reference in Section 34 Indemnification. Certificates evidencing such insurance and endorsements shall be filed with BUYER upon execution of the Order and before commencement of any work hereunder, and within 30 days after any renewals or changes to such policies are issued. To the extent permitted by law and strictly with respect to Supplier's legal liability under this Agreement, Supplier and its insurer(s) agree that subrogation rights against the additional insureds are hereby waived; such waiver shall be reflected on the insurance certificate. Supplier shall, if requested by BUYER, advise BUYER of the amount of available policy limits and the amounts of any self-insured retention. The certificate of insurance shall identify the contract number or work to be performed and shall acknowledge that such coverage applies to liabilities incurred by Supplier, its employees, invitees or agents under the Order and that such insurance shall not be invalidated by any act or neglect of Supplier whether or not such act or neglect is a breach or violation of any warranty, declaration or condition of the policies.

- d. BUYER's failure to monitor compliance or unsatisfactory compliance with the terms of these insurance requirements does not modify or waive Supplier's obligations hereunder.
- e. Any self-insurance, self-retained layer, deductibles, and exclusions in coverage in the insurance policies described above will be assumed by, for the account of, and at the sole risk of Supplier. In no event will the Supplier's liability be limited to the extent of the minimum limits of insurance required herein.

NOTE: Supplier agrees to insert the applicable substance of this Section in all major subcontracts entered into by Supplier to support work performed under the Order.

11. BUYER'S PROPERTY

All tools, equipment models, drawings or other materials furnished by BUYER to Supplier or made by Supplier for the purpose of this Agreement or paid for by BUYER and all replacements thereof and materials attached thereto, shall be and remain the property of BUYER. All BUYER's property and, whenever applicable, each individual item thereof, will be plainly marked and otherwise adequately identified by Supplier as being BUYER's property, will at Supplier's expense be safely stored (separate and apart from Supplier's property whenever practicable) and maintained and will be kept free of all liens, claims, encumbrances and interests of third parties. Supplier shall be responsible for loss of and damage to BUYER's property.

12. INTELLECTUAL PROPERTY INDEMNIFICATION

- a. Supplier agrees that it shall defend or, at its option, settle, any claim, suit, or proceeding ("Claim") brought against BUYER, BUYER's Customer, Affiliates and subsidiaries based on an allegation that the Services sold by Supplier under this Agreement infringe or violate any Intellectual Property right or license of a third party, and Supplier shall indemnify BUYER against any court awarded damages and other reasonable costs incurred by BUYER as a result of such Claim, provided: (a) BUYER has made all undisputed payments then due; (b) Supplier is notified of said allegation promptly in writing; and (c) Supplier is given full opportunity and authority, information and assistance to conduct the sole defense of said claim, suit or proceeding, including settlement and appeals.
 - i. Provided all the foregoing conditions have been met, Supplier shall either settle such claim, or pay all court awarded damages.
- b. In the event of a final adjudication by a court of competent jurisdiction that the Services infringe any Intellectual Property right or license and the use or sale thereof is enjoined (or in Supplier's reasonable opinion, the use or sale is likely to be enjoined), Supplier shall, at its option, either: (a) obtain for BUYER the right to continue using the Services, (b) replace the Services with substantially equivalent non-infringing services; (c) modify the Services so they become non-infringing but substantially equivalent; or (d) if none of the above options are reasonably available, then refund to BUYER a pro-rata portion of the purchase price for the Services.

13. PROPRIETARY INFORMATION

In order to deliver the most effective and efficient Services possible and meet BUYER's requirements for those Services, BUYER and SELLER anticipate the need to exchange Proprietary Information (as defined below) to effect the Services, as applicable in connection with such Order and/or the Agreement. In recognition of the value of that Proprietary Information, the Parties agrees to the terms and conditions of this Section.

- a. "Proprietary Information" shall mean all information, knowledge or data (including without limitation financial, business, and product strategy information; product specifications; product designs; procedures; studies; tests; and reports) in written, electronic, tangible, oral, visual or other form, (i) disclosed by, or obtained from, BUYER

or SELLER or (ii) conceived, created, acquired, or first reduced to practice in connection with the Order. If BUYER furnishes sample products, equipment, or other objects or material to SELLER, the items so received shall be used and the information obtained from said items shall be treated as if they were Proprietary Information disclosed in connection with the Order.

- b. Unless a Party receiving Proprietary Information (Receiving Party) has received the express written consent of the Party disclosing Proprietary Information (Disclosing Party), the Receiving Party shall (i) use the Proprietary Information solely for the purposes of the Order, and not for any other purpose (including, without limitation, designing, manufacturing, selling, servicing or repairing equipment for entities other than BUYER; providing services to entities other than BUYER; or obtaining any government or third party approvals to do any of the foregoing); (ii) safeguard the Proprietary Information to prevent its disclosure to or use by third parties; (iii) not disclose the Proprietary Information to any third party; and (iv) not reverse engineer, disassemble, or decompile the Proprietary Information.
- c. Receiving Party may disclose the Proprietary Information to officers, directors, employees, contract workers, consultants, agents, affiliates or subcontractors of Receiving Party who have a need to know such Proprietary Information for the purposes of performing the Order and who are obligated under a written agreement to the Receiving Party to treat such information in a manner consistent with the terms of this Section.
- d. This section shall not restrict the Receiving Party from using or disclosing any information that, as proven by written contemporaneous records kept in the ordinary course of business: (i) is or may hereafter be in the public domain through no improper act or omission of Receiving Party or a third party; (ii) is received by Receiving Party without restriction as to disclosure by Disclosing Party from a third party having a right to disclose it; (iii) was known to Receiving Party on a non-confidential basis prior to the disclosure by Disclosing Party; or (iv) was independently developed by employees of Receiving Party who did not have access to any of Disclosing Party's Proprietary Information.
- e. If Proprietary Information is required to be disclosed pursuant to judicial process, Receiving Party shall promptly provide notice of such process to Disclosing Party (if legally permissible) and, upon request, shall fully cooperate with Disclosing Party in seeking a protective order or otherwise contesting such a disclosure. Disclosure of such requested Proprietary Information shall not be deemed a breach of the Order provided that the obligations of this Section are fulfilled by Receiving Party.
- f. Each Party shall have the right to audit all pertinent documentation of the other, and to make reasonable inspection of the other's premises, in order to verify compliance with this Section.
- g. Obligations in this Section regarding Proprietary Information shall continue for an additional thirty (30) years following the termination or expiration of the Agreement.
- h. Unless required otherwise by law or the Order, Receiving Party shall promptly return, or otherwise dispose of Proprietary Information as Disclosing Party may direct in writing. Absent contrary instructions, each Party shall destroy all Proprietary Information of the other Party one (1) year after termination or expiration of this Agreement, and provide written confirmation of such destruction.
- i. Receiving Party agrees that it will not remove any legend or marking with respect to confidentiality from any Proprietary Information.

- j. Notwithstanding any proprietary or confidential labels or markings, the Order may be disclosed by either Party to a third party that has a need to access or know such information. Moreover, each Party may disclose all of the other Party's information, in accordance with applicable governmental regulations, to the FAA, the European Aviation Safety Agency (EASA), TCCA, any other governing international airworthiness certifying authority, and/or any other department or agency of the U.S. Government, including, without limitation, for the purpose of obtaining necessary government approvals.
- k. For Proprietary Information exchanged in connection with the Order, the terms of this Section shall supersede any provisions regarding the protection of proprietary information in any other agreements between the Parties.

14. ACCESS TO FACILITIES, SYSTEMS, OR BUYER INFORMATION

These provisions apply whenever Supplier Personnel will be granted access to (i) Facilities and/or (ii) Systems, provided, however, that BUYER may apply the provisions herein in the event Supplier Personnel is otherwise granted access to BUYER Information ("Access").

- a. Supplier shall perform identity screenings, work authorization verifications and background checks on any and all Supplier Personnel seeking Access in order to identify persons or entities ineligible for such Access. In furtherance of this obligation, Supplier shall, in advance of any request or grant of such Access: 1) Verify the identity and requisite work authorization of Supplier Personnel requiring Access. BUYER or its Affiliates may further direct Supplier to use a designated service provider to verify authorization to work, U.S. person and/or citizenship status, at Supplier's sole cost and expense. 2) Except to the extent not permissible by applicable law, perform a background screen on Supplier Personnel using a company approved by BUYER evidencing that (i) Supplier Personnel do not have any criminal convictions, as reported in the result of a background screen, or (ii) if they do have criminal convictions, Supplier Personnel were hired only after an individualized assessment was conducted in accordance with all applicable laws and taking into consideration the nature and severity of the underlying offenses, the nature and scope of the Access to be granted, the specific jobs at issue, and the length of time since the convictions. 3) Supplier shall not seek Access for any Supplier Personnel ineligible for such Access based on the failure to meet the above criteria, and will notify BUYER immediately, in writing, if any of Supplier's Personnel with Access is no longer eligible.
- b. Supplier agrees that BUYER shall have sole discretion as to whether Supplier is granted Access, and agrees that any Access privileges granted to Supplier will be defined by BUYER. BUYER reserves the right to impose additional requirements before granting Supplier Personnel Access, including, without limitation, with respect to export compliance, privacy, protection of BUYER Information, security clearance, applicable training, drug screening, credit check, technology control plans, intellectual property agreements and compliance with other site-specific policies and procedures.
- c. Supplier is responsible for ensuring that any Supplier Personnel requiring Access meet such Access requirements and that Access privileges are limited to approved Supplier Personnel. Supplier shall immediately notify BUYER if, at any time during the performance of the Order, (i) any information related to Supplier Personnel is altered or rendered inaccurate for any reason, or (ii) the need for Access ceases for any of such Supplier Personnel having Access. The need to Access shall automatically cease for any Supplier employees who are terminated, transferred, or otherwise no longer employed by Supplier.

- d. Supplier or Supplier Personnel's refusal or failure to meet BUYER's Access requirements at any time during the performance of the Order may result in BUYER's refusal to grant Supplier Personnel Access, and Supplier agrees that BUYER shall have the right to deny, and, without notice, terminate Access by Supplier or any of Supplier Personnel in whole or in part. Inability of Supplier to comply with the requirements of this provision shall not excuse Supplier from performing the Agreement and/or Order and shall not constitute an "Excusable Delay" as set forth in the Section herein entitled "Force Majeure.
- e. If Supplier is an individual, Supplier acknowledges that he/she is not an employee of BUYER or BUYER Affiliate and is not entitled to the rights and benefits of a BUYER or BUYER Affiliate employee including, but not limited to, participation in pension, savings, health care and other employee benefit plans and arrangements. If Supplier is a company or other entity, it acknowledges that Supplier Personnel are not BUYER or BUYER Affiliate employees and are not entitled to the rights and benefits of a BUYER or BUYER Affiliate employee including, but not limited to, participation in pension, savings, health care and other employee benefit plans and arrangements.
- f. Supplier acknowledges and agrees that any breach of this Section may result in a violation of law for which BUYER, Supplier, and/or Supplier Personnel may be liable. At BUYER's request, in advance of any request or grant of Access and at any other time, Supplier will provide BUYER (i) written certification, in a form provided by BUYER, that the Access requirements have been met, and/or (ii) documentation to verify the methodology, process and results relied upon by Supplier to comply with the Access requirements. The current certification form is available at <http://www.utc.com/Suppliers/Pages/Terms-and-Conditions.aspx>.

15. DATA PRIVACY

The following provisions under Section 15 and Section 16 apply whenever Supplier will have access to BUYER Personal Information; provided, however, if Supplier will only have access to Business Contact Information for the individuals involved in the purchase of the Services under this Agreement and/or Order, such provisions shall not apply.

- a. Supplier shall: comply with all applicable Data Privacy Laws; only collect, access, use, or share BUYER Personal Information, or transfer BUYER Personal Information to authorized third parties, in performance of its obligations under the Agreement and/or Order, in conformance with BUYER's instructions, or to comply with legal obligations. Supplier will not make any secondary or other use (e.g., for the purpose of data mining) of BUYER Personal Information except (i) as expressly authorized in writing by BUYER in connection with BUYER's use of the Services, or (ii) as required by law; not share, transfer, disclose or provide access to BUYER Personal Information for any third party except to provide services under the Agreement and/or Order or as required by law.
- b. If Supplier does share, transfer, disclose or provide access to BUYER Personal Information to a third party, it shall: be responsible for the acts and omissions of any subcontractor or other third party, that processes (within the meaning of the applicable Data Privacy Laws) BUYER Personal Information on Supplier's behalf in the same manner and to the same extent as it is responsible for its own acts and omissions with respect to such BUYER Personal Information; ensure such third party is bound by a written agreement that contains the same or equivalent obligations and protections as those set forth in this Section; and only share, transfer, disclose or provide access to a third party to the extent that such conduct is compliant with applicable law; take commercially reasonable steps to ensure the reliability of Supplier's Personnel who have

- access to the BUYER Personal Information and ensure that such access is on a need-to-know basis; provide such information, assistance and cooperation as BUYER or BUYER's
- c. Compliance With Data Privacy Laws: Affiliates may reasonably require from time to time to establish Supplier's compliance with Data Privacy Laws; provide BUYER with commercially reasonable assistance in (i) deleting the BUYER Personal Information upon request by the individual or legal representative; (ii) providing a privacy notice to individuals; and (iii) enabling individuals to opt-out; provide BUYER with the ability to purge Personal Information older than one year or such other time period agreed upon in writing by the Parties; and immediately advise BUYER in writing if it receives or learns of any: (i) complaint or allegation indicating a violation of Data Privacy Laws regarding BUYER Personal Information; (ii) request from one or more individuals seeking to access, correct, or delete BUYER Personal Information; (iii) inquiry or complaint from one or more individuals relating to the collection, processing, use, or transfer of BUYER Personal Information; and (iv) any regulatory request for, subpoena, search warrant, or other legal, regulatory, administrative, or governmental process seeking BUYER Personal Information (collectively, "Data Privacy Matters").
 - d. Complaints and Requests for Disclosure: If Supplier learns of any such complaint, request, allegation, or inquiry, Supplier shall provide assistance to BUYER, fully cooperate with BUYER in investigating the matter, including but not limited to, providing the relevant information to BUYER, preparing a response, implementing a remedy, and/or cooperating in the conduct of and defending against any claim, court or regulatory proceedings. BUYER shall be responsible for communicating with individuals regarding their BUYER Personal Information in connection with such Data Privacy Matters unless BUYER authorizes Supplier to do so on its behalf. Supplier shall use commercially and legally reasonable efforts to limit the nature and scope of the required disclosure to the minimum amount of BUYER Personal Information required to comply with applicable law. Unless prevented by applicable law, Supplier shall provide BUYER with advance written notice of any such Data Privacy Matters sufficient to allow BUYER to contest legal, regulatory, administrative, or other governmental processes.

16. DATA PRIVACY – NOTICE TO BUYER OF LOSS, ALTERATION OR ACCIDENTAL DISCLOSURE OF BUYER PERSONAL INFORMATION

- a. Notice to Buyer: Supplier shall provide written notice to BUYER as soon as possible and, in no instance in more than 48 hours of any actual or reasonably suspected incident of accidental or unlawful destruction or accidental loss, alteration, unauthorized or accidental disclosure of or access to BUYER Personal Information of which it becomes aware (a "Security Breach"); thereafter shall take all reasonable measures to contain and remedy the Security Breach, wherever possible; provide BUYER with information regarding the investigation and remediation of the Security Breach, unless restricted by law; not make any notification, announcement or publish or otherwise authorize any broadcast of any notice or information about a Security Breach (a "Security Breach Notice") without the prior written consent of and prior written approval by BUYER of the content, media and timing of the Security Breach Notice (if any), unless required to do so by law or court order; and even where required to do so by law or court order, make all reasonable efforts to coordinate with BUYER prior to providing any Security Breach Notice. Where the Security Breach involves data elements that could lead to identity theft and is on the Supplier's networks or systems or is the fault of the Supplier, Supplier will, at the request of BUYER pay for the costs of remediation, notification (including, where reasonably necessary, a call center), and provide the affected

individuals with credit monitoring or other commercially-reasonable identity theft mitigation service for one year or such longer period as required by law or a government regulator.

- b. Prior Written Consent: Supplier shall obtain the prior written consent of any and all natural persons from whom Supplier collects BUYER Personal Information when required to do so by applicable Data Privacy Laws or as instructed by BUYER. In the event Supplier shall provide to BUYER personal information protected by Data Privacy Laws, Supplier shall ensure that such personal information is provided consistent with applicable law, including, where required, obtaining consent or providing notice.
- c. Retention: All BUYER Personal Information acquired by Supplier shall be returned or destroyed (at the option of the applicable BUYER Affiliate), unless and to the extent that: (i) such BUYER Personal Information is required by Supplier to discharge its obligations hereunder or under applicable law; or (ii) return or destruction is prohibited by applicable law. Absent contrary instructions and except as prohibited by law, Supplier shall immediately destroy all BUYER Personal Information after termination or completion of the Order after waiting 30 days to allow BUYER to request return of BUYER Personal Information.
- d. Controller Model Clauses: If this Agreement and/or Order involves the provision of Services where the Supplier will (i) act as a Controller (as that term is defined in the EU Directive) and (ii) transfer BUYER Personal Information from any country in the European Economic Area or Switzerland (collectively, "EEA/CH") to outside the EEA/CH, then the BUYER and Supplier agree that the terms of the Model Contract Clauses (also called the Standard Contractual Clauses) adopted by the European Commission in Decision 2004/915/EC (hereinafter the "Controller Model Clauses" or the "Model Clauses") are incorporated by reference as if set forth herein. If this Agreement and/or Order involves the cross-border transfer of BUYER Personal Information from any country in the EEA/CH to outside the EEA/CH but the Supplier will not act as a Controller, then the BUYER and Supplier agree that the terms of the Model Contract Clauses (also called the Standard Contractual Clauses) adopted by the European Commission in Decision 2010/87/EU (hereinafter the "Processor Model Clauses" or the "Model Clauses") are incorporated by reference as if set forth herein. Notwithstanding the foregoing, BUYER and Supplier agree that: The Model Clauses may be reformatted as a stand-alone document with the signatures to this Agreement and/or Order or the parties will execute the Model Clauses as a separate stand-alone document. The stand-alone Model Clauses may be filed with regulators and/or used for any other legally permissible purpose and have the effect as if signed directly. If either party seeks to register the Model Clauses with a regulator and the regulator rejects the registration, the parties shall work together to modify the exhibits to the Model Clauses to address the regulator's requirements. If any of the terms of the Model Clauses conflict with any terms of this Agreement and/or Order, the Model Clauses shall prevail. If Supplier engages any subcontractors that will access BUYER Personal Information covered by the Model Clauses, the Supplier shall ensure that transfers to the subcontractor comply with the Model Clauses.

17. COMPLIANCE COVENANTS

Supplier has not offered or given and shall not offer or give anything of value (in the form of entertainment, gifts, gratuities or otherwise) to BUYER's employees or representatives for the purpose of obtaining the Order or favorable treatment under the Order. Any breach of this warranty shall be a material breach of this Agreement.

Supplier represents and warrants that it has not made, nor will it make, or offer to make any political contributions, or pay, or offer to pay any fees or commissions in connection with these Terms and Conditions, the Agreement or any Order.

Supplier hereby further agrees that: Supplier shall avoid and refrain from all activities that would place Supplier in a position where Supplier could obtain, or appear to obtain, an unfair competitive advantage; Neither Supplier nor, where applicable, any individuals used by the Supplier in the performance of the Services hereunder, is subject to post-employment or similar “revolving door” restrictions imposed under rules established by any government, including the U.S. Government, that might prohibit or impact the effective performance of the Services for or on behalf of BUYER; and If Supplier is required to register with a federal, state or local authority due to Supplier’s status under any such law (e.g. – lobbyist status, broker status, any registration required by the Foreign Agents Registration Act), Supplier shall provide a copy of the registration and any report submitted to the authority related to the Services to BUYER.

18. DISASTER RECOVERY

As reasonably directed by BUYER, Supplier shall develop and maintain a Disaster Recovery Plan acceptable to BUYER for the recovery and continuation of business related to the supply, design, development, certification, use and/or support of the Services furnished hereunder, in the event of a disaster or emergency. The Disaster Recovery Plan shall, among other things, prevent or limit the interruption of the Services in conformity with the requirements set forth herein. Supplier shall furnish a copy of Disaster Recovery Plan to BUYER upon request.

19. SUBCONTRACTING

BUYER does not anticipate that Supplier will subcontract any portion of this Agreement. Supplier must receive written consent from BUYER prior to subcontracting any portion of this Agreement. Upon BUYER written approval granting the Supplier the ability to subcontract and in the event the Supplier subcontracts any portion of its obligation identified in this Agreement, Supplier’s subcontracted effort is in no way exempt from the provisions of this Agreement. The Supplier shall include in subcontractor agreements all necessary elements to ensure complete conformance with these requirements. All subtier suppliers must be OEM approved and on the BUYER’s customer’s Aftermarket Quality List as an approved Supplier.

The Supplier shall be solely responsible for the performance and quality of the total requirements for items that are subcontracted.

20. ASSIGNMENT AND SETOFF

Subcontractor shall not assign the Subcontract or any rights, claims or obligations under the Subcontract without the prior written consent of AAR. Subcontractor agrees that any attempted assignment without the prior written consent of AAR shall be void.

21. SURVIVAL

All rights, obligations, and duties hereunder, which by their nature or by their express terms extend beyond the expiration or termination of this Agreement or any Order, including but not limited to warranties, indemnifications, intellectual property (including rights to and protection of Intellectual Property and Proprietary Information), and product support obligations shall survive the expiration or termination of this Agreement or any Order.

22. NO WAIVER

No failure of any Party to exercise any right under, or to require compliance with, the Agreement or Order, or knowledge of past performance at variance with the Agreement or Order, shall constitute a waiver by such Party of its rights hereunder. No concession, latitude or

waiver allowed by either Party to the other at any time shall be deemed a concession, latitude or waiver with respect to any rights unless and only to the extent expressly stated in writing, nor shall it prevent such Party from enforcing any rights in the future under similar circumstances.

23. PAYMENT

- a. Invoice Requirements: Subcontractor shall submit invoices to AAR in accordance with the terms of the Subcontract, and such invoices shall contain at least the following information: Subcontract or Purchase order number, Product/part number, description of Products or Services, sizes, quantities, unit of measure, unit prices and extended totals, applicable currency, condition, and supporting documentation for the amount invoiced. Seller shall provide additional invoice detail and support as may be reasonably requested from time-to-time to ensure the invoice is properly payable. AAR will pay invoices properly submitted hereunder within forty-five (45) days after receipt of an acceptable invoice. If AAR's Prime Contract is subject to FAR 52.232-40, AAR will make payment to small business vendors within thirty (30) days after receipt of an acceptable invoice. Payment by AAR shall be deemed to have been made on the date AAR deposited the payment in the U.S. mail or with another recognized commercial carrier, or the date AAR made the electronic funds payment.
- b. Adjustments: AAR may make any adjustment or withhold any payment reasonably appropriate in Subcontractor's invoices due to shortages, late delivery, rejections or other failure to comply with the requirements of the Subcontract. Cash discounts, if applicable, will be taken from date of receipt of invoice for material received. Payment does not constitute final acceptance.
- c. Price: The price set forth in the Subcontract covers all Products or Services ordered by AAR. The aggregate of the payments and reimbursements due the Subcontractor by AAR shall not exceed the price for Subcontractor's Products or Services in the Subcontract and Subcontractor is not authorized to exceed nor is AAR obligated to pay Subcontractor any amount exceeding the price of the Products or Services stated in the Subcontract. Any increase in the price for the Products or Services shall be made by a change order in accordance with the Changes clause contained herein.
- d. Certificate of Compliance: If so specified in the Subcontract, the Subcontractor shall furnish a signed Certificate of Compliance to the requirements of the Subcontract with each shipment made to AAR; to substantiate the Certificate of Compliance; the Subcontractor shall maintain inspection or test records which AAR or an AAR representative may audit from time to time.

24. TERMINATION

- a. Termination for the BUYER's convenience: The BUYER reserves the right to terminate this Agreement, or any part hereof, for its sole convenience. In the event of such termination, the Supplier shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this Agreement, the Supplier shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges the Supplier can demonstrate to the satisfaction of the BUYER using its standard record keeping system, have resulted from the termination. The Supplier shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the BUYER any right to audit the Supplier's records. The Supplier shall not be paid for any work performed or costs incurred which reasonably could have been avoided.

- b. Termination for Default: The BUYER may terminate this Agreement, or any part hereof, for cause in the event of any default by the Supplier, or if the Supplier fails to comply with any contract terms and conditions, or fails to provide the BUYER, upon request, with adequate assurances of future performance. In the event of termination hereunder, the BUYER shall not be liable to the Supplier for any amount for supplies or services not accepted, and the Supplier shall be liable to the BUYER for any and all rights and remedies provided by law. If it is determined that the BUYER improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

25. ENTRY ONTO BUYER'S PREMISES

Supplier acknowledges that entry onto BUYER's premises is at Supplier's own risk. Supplier will ensure that its Personnel are aware that they enter onto BUYER's premises at their own risk. Lien Waivers. Supplier shall make prompt and timely payment of any debts or liabilities incurred by Supplier in connection with this Agreement. Supplier at its sole cost shall obtain the prompt release of any mechanic's or materialmen's lien or any similar lien or claim fixed against BUYER or its assets. The final payment owed to Supplier by BUYER under the terms of this Agreement shall be contingent on full release of any outstanding liens.

26. QUALIFICATION

The BUYER's requirements for Services may necessitate Supplier's qualification to selected process, systems or functional requirements. In the event that Supplier is not presently qualified, or qualification is suspended or revoked, Supplier shall provide appropriate qualification test plans and subsequent reports as required by BUYER. Such plans shall be subject to BUYER's approval. BUYER's approval of Supplier's test and qualification plan(s) is intended to provide confidence in Supplier's ability to qualify specific services and does not constitute an opinion or warranty that Supplier's plans will be successful or compliant to specifications or other requirements. Supplier shall bear all costs for such qualification, including first article units if required. Production orders shall be built in parallel to qualification at the risk of Supplier, if such pre-qualification production is required to meet BUYER's required delivery dates.

27. INDEMNIFICATION

Supplier shall defend, indemnify and hold harmless BUYER, Pratt & Whitney, and its and their subsidiaries, and their directors, officers, employees and agents from and against all actions, causes of action, liabilities, claims, suits, judgments, liens, awards and damages of any kind and nature whatsoever for property damage, personal injury or death (including without limitation injury to or death of employees of Supplier or any subcontractor thereof) and expenses, costs of litigation and counsel fees related thereto or incident to establishing the right to indemnification, arising out of or in any way related to this Agreement, the performance thereof by Supplier or any subcontractor thereof or other third parties, including, without limitation, the provision of Services, personnel, facilities, equipment, support, supervision or review. The foregoing indemnity shall apply only to the extent of the negligence or willful misconduct of Supplier, any subcontractor thereof or their respective employees. In no event shall Supplier's obligations hereunder be limited to the extent of any insurance available to or provided by Supplier or any subcontractor thereof. Supplier expressly waives any immunity under industrial insurance, whether arising out of statute or other source, to the extent of the indemnity set forth in this paragraph.

28. CONFIDENTIALITY

Confidentiality Obligations. The Parties agree to hold each other's Confidential Information in confidence. The Parties agree, unless required by a lawful court order, subpoena, or similar

legal request, not to make each other's Confidential Information available in any form to any third party or to use each other's Confidential Information for any purpose other than the implementation of this Agreement. Each Party agrees to take all reasonable steps to ensure that Confidential Information is not disclosed or distributed by its Personnel in violation of the terms of this Agreement. If a Party is required to disclose the other Party's Confidential Information by a lawful court order, subpoena, or similar legal request, the Party shall promptly notify the other Party in writing of such requirement so that the other Party may seek an appropriate protective order. Each Party acknowledges that failure to comply with this Section may irreparably harm the business of the other party, and that a breach of one Party's obligations under this Section 9 shall entitle the other Party to seek immediate injunctive relief, in addition to any other remedies that it may have.

- a. Exceptions. Confidential Information shall not include, and the Parties shall have no obligation to keep confidential, information that: (i) is or becomes a part of the public domain through no act or omission of the receiving Party; (ii) was in the receiving Party's lawful possession prior to the disclosure, as evidenced by prior documentation, and had not been obtained by the receiving Party either directly or indirectly from the disclosing Party; (iii) is lawfully disclosed to the receiving Party by a third party who is rightfully in possession of such information and is under no duty of confidentiality with respect to such information; or (iv) is independently developed by the receiving Party without reference to or reliance upon the disclosing Party's Confidential Information.

29. SECURITY FOR UTC INFORMATION STORED BY SUPPLIER

The following provisions are applicable whenever the Supplier will store UTC Information.

- a. In addition to capitalized terms used herein but defined elsewhere in the Agreement and/or Order, the following terms shall have the following meanings:
 - i. "Security Issues" means (a) any situation, threat, vulnerability, act or omission posing a risk of giving rise to a Security Incident, or (b) any breach of Supplier's representations or covenants in this Agreement and/or Order regarding safeguarding of UTC Information.
 - ii. "Security Incident" means (a) any circumstance that involves, or which a party reasonably believes may involve, (i) the accidental or unauthorized access, use, disclosure, modification, storage, destruction or loss of UTC Information in Supplier's or Supplier Personnel's possession, custody or control; (ii) interference with system operation in an information system or in any medium or format, including paper (hard) copy documents that subjects UTC Information to risk of unauthorized access, use, disclosure, modification, storage, destruction or loss; or (b) any other similar incident as may be so defined by any Data Privacy Law and by any laws and regulations (national, federal, state and provincial) relating to the protection of UTC Information.
- b. Supplier will use commercially reasonable efforts to establish, maintain and comply with administrative, technical and physical safeguards that are designed to (a) protect the security, availability and integrity of Supplier's network, systems and operations, the Services and the UTC Information; (b) guard against Security Issues; and (c) satisfy the requirements for certification under ISO 27001. Supplier will develop, implement and maintain a written security program, reasonably acceptable to BUYER that includes appropriate administrative, technical, organizational and physical safeguards, security awareness and security measures designed to protect UTC Information from unauthorized access and use.

- c. Supplier agrees to install and implement security hardware, software, procedures and policies that will provide effective information security and are acceptable to BUYER. Supplier agrees to monitor and update such hardware, software, procedures and policies to utilize improved technology and to respond to developing security threats in order to maintain a level of security protection, preparedness and resilience appropriate for the information involved and the then current state of security solutions. Upon request, Supplier shall provide BUYER with any reports or results of any internal audit related to IT security performed by or on behalf of Supplier during the term of the Agreement and/or Order or any audit reports issued, including but not limited to, under the SSAE 16 report or ISAE 3402.
- d. Supplier further agrees to:
 - i. Only collect, access, use, or share UTC Information, or transfer UTC Information to authorized third parties, in performance of its obligations under the Agreement and/or Order, in conformance with this Agreement, or to comply with legal obligations. Supplier will not make any secondary or other use (e.g., for the purpose of data mining) of UTC Information except (a) as expressly authorized in writing by BUYER in connection with BUYER's purchase of Services hereunder, or (b) as required by law.
 - ii. Maintain and implement information security policies which address, at a minimum the following domains: information security policy, organization of information security, asset management, human resourced security, physical and environmental security, communications and operations management, access control, information systems acquisition, development and maintenance, information security incident management, business continuity management, regulatory compliance, and provide BUYER with an index or similar summary of its policies sufficient to evidence to BUYER's reasonable satisfaction that each domain is addressed in a manner consistent with this Section. Supplier shall provide BUYER with an updated index or summary, upon BUYER's request, and indicate any plans, including a timetable for implementation, of planned upgrades to comply with the policy. Supplier shall implement those reasonable requests for modification of such policy requested by BUYER.
 - iii. Allow BUYER or its designee to conduct a security audit at its facilities on one day's notice, and allow BUYER at any time to conduct (or have conducted) a network audit. If the UTC Information is stored in a shared environment per the agreement of BUYER, then BUYER shall use a third party to conduct such audits. The audits shall include any facilities with UTC Information including backup storage facilities.
 - iv. Segregate all UTC Information into a separate database only accessible by BUYER, and its agents and those employees and agents of Supplier that require access to perform the Services or to maintain the equipment and the program on which it runs, unless otherwise agreed by BUYER. Logical segregation of data, if approved by BUYER, may be an acceptable alternative to this requirement. Supplier shall use reasonable efforts, as measured by the available technology at the time, to prevent anyone other than its authorized employees and BUYER and its agents from accessing the UTC Information.
 - v. Assure that all UTC Information and applicable software is appropriately backed up and recoverable in the event of a disaster or emergency, and that Supplier's

disaster recovery plan (as may be otherwise required herein) shall incorporate such requirements.

- e. Encryption Requirements. Supplier will use, and will cause Supplier Personnel to use, appropriate forms of encryption or other secure technologies at all times in connection with the Processing of UTC Information, including in connection with any transfer, communication, remote access or storage (including back-up storage) of UTC Information, as authorized or permitted under the Agreement and/or Order. Notwithstanding any provision to the contrary herein, BUYER Personal Information shall not be stored on any Supplier mobile computing devices (e.g. laptop computers, PDAs (personal digital assistants), etc.)
- f. Termination Plan: Supplier agrees to provide BUYER, at the time of signing this Agreement and/or Order, with a termination plan that addresses how UTC Information will be returned to BUYER at the end of this Agreement and/or Order, including backup and archival information, and how all UTC Information will be permanently removed from Supplier's equipment and facilities. This plan should include supplying the data to BUYER in an industry recognized nonproprietary database and, if not, a license to use the proprietary database software to access the data.
- g. Supplier further agrees to provide information to and fully cooperate with BUYER in response to any subpoena, investigation or the like seeking UTC Information and provide information and assistance for BUYER to seek certification and the like relative to its information including information in the possession of Supplier. Supplier shall promptly notify BUYER upon the receipt of any request requiring that UTC Information be supplied to a third party.
- h. When requested by BUYER, Supplier agrees to comply, within a reasonable period of time, with UTC Information security policies as provided to Supplier by BUYER.
- i. Supplier shall not provide UTC Information to any other entity without the prior written approval of BUYER. A request for BUYER approval shall include agreement by Supplier, and such other entity, that (i) all of the requirements of this provision are applicable to their performance and (ii) BUYER shall have the right to perform the audits described above.
- j. Supplier will provide to BUYER immediate written notice of (i) any failure to meet the then current standards for information security, and (ii) any and all reasonably suspected and/or confirmed Security Issues. Such notice will summarize in reasonable detail the impact on BUYER or any individuals affected by such Security Issue and the corrective action and remediation efforts taken or proposed to be taken by Supplier. Immediately following any Security Issue or any other failure to meet information security standards, whether identified by Supplier or BUYER, Supplier will take steps to mitigate risks posed, consult in good faith with BUYER regarding remediation efforts, and undertake a remediation plan which BUYER determines in its sole but reasonable discretion, to be necessary, reasonable or appropriate under the circumstances commensurate with the nature of the Security Issue or failure, or as requested by any government body. Supplier will be solely responsible for all costs and expenses, including, without limitation, the reasonable costs of re-testing performed to verify that any Security Issue has been remediated. Failure to remedy the risks of a Security Issue or failure within the time frame and manner specified by BUYER is deemed a material breach of this Agreement.

30. INTERNATIONAL TRADE COMPLIANCE

Compliance with International Trade Compliance ("ITC") Laws.

Supplier shall comply with all ITC Laws. Supplier represents that it maintains an effective export/import control compliance program in accordance with all applicable Trade Control Laws. A copy of process control documents and other documents reasonably requested by BUYER related to Supplier's compliance with applicable Trade Control Laws shall be made available to BUYER upon written request.

- a. "ITC Laws" mean the import, customs, export control, sanctions and U.S. anti-boycott laws, regulations, and orders applicable at the time of the import, export, re-export, transfer, disclosure, or provision of Technical Data, goods or Services including, without limitation, the (i) Export Administration Regulations ("EAR") administered by the Bureau of Industry and Security, U.S. Department of Commerce, 15 Code of Federal Regulations (C.F.R.) Parts 730-774; (ii) International Traffic in Arms Regulations (the "ITAR") administered by the Directorate of Defense Trade Controls, U.S. Department of State, 22 C.F.R. Parts 120-130; (iii) Foreign Assets Control Regulations and associated Executive Orders administered by the Office of Foreign Assets Control, U.S. Department of the Treasury, 31 C.F.R. Parts 500-598; (iv) Internal Revenue Code, 26 U.S.C. § 999, enforced by the U.S. Department of Treasury; (v) International Emergency Economic Powers Act ("IEEPA"), 50 U.S.C., § 1701 et. Seq.; (vi) Customs regulations administered by U.S. Customs and Border Protection, 19 United States Code (U.S.C.) and Title 19 C.F.R.; and (vii) applicable import, customs and export laws and regulations of other countries, except to the extent they are inconsistent with the U.S. laws.
- b. Denied Party Screening: Supplier shall perform denied party screening on its employees and other parties (including sub-tier suppliers) whom Supplier engages or solicits to engage to perform production activities or Services under this Agreement. This requirement is intended to ensure that Supplier identifies any person or entity, whom Supplier engages or solicits to perform production activities or Services under this Agreement, that is ineligible to perform such activities or Services because of any embargo, sanction, debarment or denied party designation. In furtherance of this obligation, Supplier shall: not engage any Specially Designated National ("SDN"), as determined by the U.S. Office of Foreign Assets Control ("OFAC"), to perform production activities or Services under this Agreement; and not engage any person or entity to perform production activities or Services under this Agreement when: such person or entity is identified as a denied party pursuant to any embargo, sanction, debarment or denied party designation maintained by the U.S. government or any non-U.S. government or union of states (e.g., European Union); and the reason(s) for such embargo, sanction, debarment or denied party designation apply to the production activities or Services subject to this Agreement; except where such embargo, sanction, debarment or denied party designation conflicts with the anti-boycott laws of the United States.
 - i. Supplier shall notify BUYER immediately, in writing, if any of Supplier's employees or sub-tier suppliers who have been designated as an SDN, debarred, sanctioned or designated as a denied party and have performed production activities or Services under this Agreement.
 - ii. Supplier shall conduct periodic re-screening on all entities described above on no less than a quarterly basis. Supplier shall maintain records of its performance of denied party screening for a period of five-years following completion of screening and make such records available to BUYER upon request. Supplier shall incorporate this provision in all subcontracts with its suppliers or independent contractors with whom Supplier engages or employs, or intends to

engage or employ, to perform production activities or Services under this Agreement.

- c. Export Licensing Responsibility. If this Agreement requires either Party to obtain government-approved export authorization to facilitate activities and obligations set forth under this Agreement, the Parties shall mutually exercise reasonable efforts to support the preparation and management of the authorization in full compliance with applicable government regulations. The Parties shall without delay respond to requests for supporting documentation, including clarifying questionnaires or any other requested information necessary to secure government authorization. Each Party, as applicable, shall be individually responsible for obtaining required documentation or other information from any third party required by such Party to perform its obligations under this Agreement. Failure to obtain any required documentation or information from a third party shall result in the third party's exclusion from the government authorization. The Parties shall exchange copies of all government export authorizations related to the Technical Data, or Services, and all provisions or conditions or information relating to the authorization, including but not limited to, any restriction on sublicensing, retransfer, resale or re-export, any requirement for non-disclosure agreements, and any limitation on individuals having access to Technical Data, or Services. Each Party, as applicable, shall be individually responsible for compliance with all government export authorizations, including without limitation ensuring that all export-related paperwork and documentation (e.g., Destination Control Statements, Electronic Export Information filed via Automated Export System) are properly completed and timely filed.
- d. Export and Import Classification: Where known, or where Supplier is the design authority for the Technical Data or Services that are subject to this Agreement, Supplier shall provide BUYER with (i) the applicable Harmonized Tariff Schedule Number, (ii) either (a) the United States Munitions List ("USML") category of such Technical Data or Services that are controlled by the ITAR, or (b) the Export Control Classification Number ("ECCN") of such Technical Data or Services that are controlled by the EAR, including the ECCN of components comprising the Technical Data and/or Services if such classification differs from the ECCN of the Technical Data and/or Services, and (iii) any analogous classification under any other applicable law. Upon request, Supplier shall provide BUYER annually with its DDTC registration expiration date.
- e. Brokering: Supplier acknowledges that it shall not engage in brokering activity as that term is defined in 22 C.F.R. § 129.2 in conjunction with activity authorized pursuant to this Agreement.
- f. Technical Data Transfer: Supplier shall not export, re-export, transfer, disclose or otherwise provide physical or electronic access to Technical Data to any person (including unauthorized third-party IT service providers) not authorized to receive Technical Data under existing ITC Laws and/or export authorization, or modify or divert such Technical Data to any military application or other end-use prohibited by applicable ITC Laws. Supplier shall develop and implement IT security procedures which ensure that Technical Data is accessible only by authorized persons. Any subcontracts for the provision of Technical Data, or the provision of Services shall contain all the limitations of this Section and shall require compliance with all applicable export licenses or authorizations.
- g. Destruction of Technical Data & Services: Upon completion of performance under the Order, and expiration of recordkeeping obligations under this Agreement, Supplier and

its suppliers shall destroy or return to BUYER all Technical Data and all Services (i.e. related goods), as instructed by BUYER. With respect to Technical Data: (a) destruction applies to both physical and electronic copies of Technical Data, including archived copies, (b) destruction may include cross-cut shredding, burning or chemically reverting to pulp or other similar methods, which preclude use in full or partial form, and (c) electronic copies of Technical Data must be permanently deleted from all servers, systems and local devices.

- h. Required Notices: Supplier shall promptly notify BUYER if it becomes aware of any failure by Supplier or its suppliers to comply with this ITC Section and shall cooperate fully and promptly with BUYER in any investigation of such failure to comply. Supplier shall also promptly inform BUYER of any name change, address change or change in ownership or control of Supplier.
- i. Technology Control Plan: When the terms of this Agreement require access to or possession of Technical Data controlled under the ITAR or at an anti-terrorism level or higher under the EAR, or the equivalent level of controls under applicable and governing non-U.S. export regulations, Supplier shall create and follow a Technology Control Plan (“TCP”) that, at a minimum, incorporates the following elements: (i) facility security; (ii) international trade compliance training program; (iii) information technology security; (iv) record keeping requirements; (v) denied party screening as defined in this Section; and (vi) personnel oversight (including without limitation, oversight of non-U.S. persons, dual third country nationals, employees, and visitor management). Supplier shall make a signed copy of the TCP available to BUYER within 30 days of request.
- j. Security Programs: Supplier shall comply with all requirements of the border security programs of the destination country (e.g. Customs Trade Partnership Against Terrorism (C-TPAT), Authorised Economic Operator (AEO), Partners in Protection (PIP), etc.
- k. Customs Brokers: With respect to pricing terms for any Order that includes Customs Brokerage Services, such Services shall be quoted and charged at a fixed sum. In no event shall an Order for Customs Brokerage Services provide or allow for contingent or success fees. For purposes of this Agreement, “Customs Brokerage Services”, shall mean Services whose performance shall involve transactions with customs officials or other government agencies to import goods into a country on behalf of BUYER pursuant to this Agreement. Customs Brokerage Services shall include, but are not limited to, preparation and submission of documents; classification and valuation of goods, as specifically authorized by BUYER; payment of duties, taxes or other charges; and clearance of goods into the importing country in accordance with applicable government requirements.
- l. Required Flowdown: Supplier shall incorporate into any contracts with its sub-tier suppliers obligations no less restrictive than those set forth in this Article requiring compliance with all applicable Trade Control Laws.

31. GOVERNING LAW AND JURISDICTION

This Agreement shall be interpreted in accordance with the plain English meaning of its terms and the construction thereof shall be governed by the laws in force in the State of New York, USA without regard to conflicts of law principles, except that Sections 5-1401 and 5-1402 of the New York General Obligations law will apply and except that the United Nations Convention on Contracts for the International Sale of Goods dated April 11, 1980, as amended to date, will not apply. Any action or claim relating to or arising out of the Order in the appropriate court in shall be brought in New York, and each Party hereby irrevocably consents to personal jurisdiction and venue in such court. If Supplier or any of its property is entitled to immunity from legal action on

the grounds of sovereignty or otherwise, Supplier hereby waives and agrees not to plead such immunity in any legal action arising out of an Order or the Agreement. If Buyer and Supplier mutually agree to participate in alternative dispute resolution, the Parties agrees that all alternative dispute resolution proceedings shall take place in New York.

32. SEVERABILITY

In the event any one or more of the provisions of this Agreement shall, for any reason, be held to be invalid or unenforceable, the remaining provisions of this Agreement shall be unimpaired and the invalid or unenforceable provision shall be replaced by a mutually acceptable provision which, being valid and enforceable, comes closest to the intention of the BUYER and Supplier underlying the invalid or unenforceable provision.

33. WAIVER

Either Party's waiver of any breach, or failure to enforce any of the terms and conditions of this Agreement, at any time, shall not in any way affect, limit or waive such Party's right thereafter to enforce and compel strict compliance with every term and condition hereof.

34. RELATIONSHIP OF THE PARTIES

Supplier is an independent contractor and not an employee, agent or joint venture partner of BUYER. BUYER will not be responsible for or have control or charge over any of the acts or omissions of Supplier or its Personnel.

35. DELAYS

Whenever there is an actual material delay to the timely performance of the Order, Supplier shall promptly notify BUYER in writing of the probable length of any anticipated delay and mitigate the potential impact of any such delay.

36. CAPTIONS

The captions, headings, section numbers, and table of contents appearing in this Agreement have been inserted as a matter of convenience and for reference only and in no way define, limit or enlarge the scope or meaning of this Agreement or any provision hereof.

37. INTERPRETATION

This Agreement shall be construed as if drafted jointly by the parties and no provision in this Agreement shall be interpreted for or against any party because that party or that party's legal representative drafted the provision.

38. NO CONFLICTS

None of the provisions of this Agreement or the Order, nor a Party's performance hereof contravenes or is in conflict with any law, judgment, decree, order, or regulation of any governmental authority, or with any obligations owed to any other entity to which such Party are subject.

39. GENERAL GOVERNMENT FLOW DOWN TERMS

The following provisions are flow downs that reference the Customer Contract.

- a. If an Order is placed at any tier under a Prime Contract awarded by the U.S. Government, additional U.S. Government provisions ("U.S. Government Contract Clauses") shall apply. Terms not defined herein shall have the meaning ascribed to them in Buyer's Standard Terms and Conditions of Purchase.
- b. While Buyer has made every effort to include every potentially applicable U.S. Government Contract Clause in this document, U.S. Government Contract Clauses, the inclusion of which in a subcontract is mandatory under a statute or regulation, shall be considered to be included by operation of law, even if it has been omitted from the Order.
- c. Supplier shall incorporate the applicable U.S. Government Contract Clauses in each lower-tier subcontract placed in support of this Order.

- d. Supplier shall indemnify and hold Buyer harmless from and against any cost, price reduction, withholding, offset, penalty, interest, claim, demand, determination of unallowability or unallocability, or any other civil, criminal, or administrative liability, whether arising under statute, regulation, contract or common law, and shall reimburse Buyer for all of its damages and associated costs, including reasonable attorney fees and other expenses, if said liability is attributable to the Supplier or Supplier's subcontractors' failure to comply with the applicable U.S. Government Contract Clauses.
- e. Notwithstanding any other provisions in this document, Supplier shall comply with, and shall support Buyer's compliance with, any applicable U.S. Government procurement regulations and policies. Supplier agrees to negotiate fair and reasonable prices for the Goods/Services and to incorporate such prices in the Agreement and/or Order.

40. ORDERS INVOLVING GOVERNMENT PROPERTY

The following provision is a flow down reference the Customer Contract.

- a. Supplier shall establish and maintain a system acceptable to the Buyer and the Government and in compliance with FAR Part 45, FAR 52.245-1 and DFARS Part 245 to control, protect, preserve, repair and maintain Government Property. Government Property shall be used only for performing this Order, unless otherwise provided in this Order or approved by the Government.

41. INTELLECTUAL PROPERTY UNDER U.S. GOVERNMENT CONTRACTS

The following provisions are flow downs that reference the Customer Contract.

- a. Definitions.
 - i. "Computer Software" means computer software as defined in DFARS 252.227-7013(a)(3), or for Prime Contracts with NASA or the DoE, as defined in FAR 52.227-14(a) or such other relevant Government Acquisition Regulation clause as may be incorporated in this Agreement.
 - ii. "DoE" means the Department of Energy.
 - iii. "Government Acquisition Regulations" means the FAR, DFARS, NASA FAR
 - iv. Supplement and DoE Acquisition Regulation (DEAR) regulations that are incorporated into the Prime Contract and, by incorporation, this Order.
 - v. "Intellectual Property" as used in this Article, means the definition set forth in the Terms & Conditions of Purchase that reference this document as well as Subject Invention, Technical Data, and Computer Software.
 - vi. "Invention" means the invention as defined in DFARS 252.227-7038(a), or for Prime Contracts with NASA or the Department of Energy, as defined in FAR 52.227-11(a).
 - vii. "NASA" means the National Aeronautics and Space Administration.
 - viii. "Practice" means to make, use, sell, offer for sale, import and export Goods that embody the Subject Invention.
 - ix. "Subject Invention" means subject invention as defined in DFARS 252.227-3.1.10. 7038(a), or for Prime Contracts with NASA or the DoE, as defined in FAR 52.227 11(a). 3.1.11. "Technical Data" means technical data as defined in DFARS 252.227- 7013(a)(14), or for Prime Contracts with NASA or the DoE, as defined in FAR 52.227-14(a), or such other relevant Government Acquisition Regulation clause as may be incorporated in this Agreement. 3.1.12. "Unlimited Rights" means unlimited rights as defined in DFARS 252.227- 7013(a)(15), -7014(a)(15) and -7018(a)(20), or for Prime Contracts with NASA or the DoE, as defined in

FAR 52.227-14(a), or such other relevant Government Acquisition Regulation clause as may be incorporated in this Agreement.

- x. "Use" means the right to use, modify, reproduce, perform, display, release, disclose, compile, integrate, embed and make derivative works of any Technical Data and Computer Software.

b. Technical Data and Computer Software Ownership and License Rights.

- i. Supplier acknowledges and agrees that the rights in Technical Data and Computer Software to be granted to the Government will be determined in accordance with the regulations set forth in FAR Part 27 and DFARS Part 227 based upon the specific Technical Data, Computer Software and Goods to be performed under this Order and the assertions of restrictions on use, release or disclosure of Supplier's Intellectual Property that are provided to Buyer for delivery to the U.S. Government. Supplier grants licenses to the Government as required to be granted in DFARS 252.227-7013, 7014, 7015, 7016 and 7018, or for Prime Contracts with NASA or the DoE in FAR 52.227-14, for Technical Data and Computer Software acquired, created or delivered to Buyer in the performance of this Order.
- ii. For Technical Data and Computer Software in which the Government has Unlimited Rights, Supplier hereby grants to Buyer an irrevocable, non-exclusive, paid-up, worldwide license, with the right to grant sublicenses, to Use, including the right to make or have made, such Supplier's Technical Data and Computer Software for any purpose whatsoever, and to have or authorize others to do so.
- iii. Except as provided above, Supplier hereby grants to Buyer an irrevocable, non-exclusive, paid-up, worldwide, license to sell and Use Supplier's Technical Data and Computer Software acquired, created or delivered in the performance of this Order (i) to fulfill Buyer's obligations under the Prime Contract; (ii) to disclose to third parties for obtaining government approvals, including airworthiness; and (iii) to satisfy other contract requirements for the same or similar Goods.
- iv. Supplier shall deliver to Buyer all Technical Data and Computer Software needed to fulfill Supplier's obligations in the performance of this Order by the Delivery Date. At Buyer's request, Supplier shall deliver to Buyer all Technical Data and Computer Software acquired or created by Supplier in the performance of this Order, whether or not delivery was required and without additional cost to Buyer.

c. Patent Ownership and License Rights

- i. For any Subject Invention, Supplier hereby grants the U.S. Government a non-exclusive, nontransferable, irrevocable, paid-up, worldwide license to Practice or have Practiced the Subject Invention for or on behalf of the U.S. Government. For NASA and DoE Prime Contracts, if required by such Prime Contract, Supplier agrees to assign the Subject Invention to the Government.
- ii. For any Subject Invention in which the Supplier retains ownership, Supplier hereby grants Buyer a non-exclusive, nontransferable, irrevocable, paid-up, worldwide license to Practice and have Practiced the Subject Invention to the extent necessary to fulfill Buyer's obligations under the Prime Contract, as well as for any other purpose.

- iii. Supplier acknowledges the Government invention reporting requirements under the applicable Government Acquisition Regulations and hereby agrees to report all Subject Inventions directly to the Government in accordance with these sections. Supplier shall submit to Buyer a copy of the Government invention reporting letter, without including detailed invention disclosure information.
- d. General Intellectual Property
 - i. Supplier represents and warrants that Supplier has sufficient rights in all Intellectual Property that Supplier uses or transfers to Buyer in connection with this Order to allow Supplier to lawfully comply with this Order. If, in the performance of this Order, Supplier incorporates third party Intellectual Property into the Goods, Supplier shall obtain for the Government and the Buyer license rights equivalent to those granted by Supplier herein.
 - ii. Except as expressly authorized herein, nothing in this Order shall be construed as Buyer granting Supplier a license in or any right to use any of Buyer's Intellectual Property other than in the performance of work under this Order.
 - iii. If the Supplier does not receive Government funding to acquire or create Intellectual Property under this Order, the Section of the AAR Terms & Conditions of Purchase entitled "Intellectual Property Rights" shall apply to rights in such Intellectual Property in lieu of this Section 4.
- e. Data Assertions and Markings
 - i. Supplier shall properly identify and assert the Supplier's rights in Technical Data and Computer Software delivered to the Government with other than Unlimited Rights in conformance with the applicable Government Acquisition Regulations. For assertions made subsequent to the effective date of this Order, the Supplier shall describe why the assertion is an inadvertent omission or new information before the Buyer will submit such assertions to the Government. Supplier shall properly mark all Technical Data and Computer Software that Supplier delivers to the Buyer in connection with this Order. Supplier represents and warrants that it has written procedures and maintains records sufficient to justify the validity of all restrictive markings.
 - ii. If the Supplier's assertions do not comply with the applicable Government Acquisition Regulations, the Government rejects the Supplier's assertions, or the Supplier does not correctly mark Technical Data or Computer Software, the Buyer assumes no responsibility or liability for any loss of rights by the Supplier. Supplier is responsible for ensuring that markings and assertions are consistent. If the markings and the assertions are inconsistent, Buyer may submit such inconsistently marked Technical Data or Computer Software to the Government and the Supplier assumes the risk of loss of rights. In the event the Government rejects the Supplier assertions, Supplier agrees to work diligently with the Buyer to immediately correct such rejections such that there is no negative impact to Buyer's delivery obligations under the Prime Contract.
- f. Patent Indemnification
 - i. To the extent that the Prime Contract includes the Authorization and Consent provision under FAR 52.227-1, the Government shall authorize and consent to the Supplier's use and manufacture of any invention described in a United States patent in accordance with the Prime Contract. If the Government has assumed liability for U.S. patent infringement under the Prime Contract,

Supplier is relieved of its obligations for such U.S. patent infringement, but only to the extent such liability is indemnified by the Government.

- ii. If the Prime Contract includes the Patent Indemnification provision under FAR 52.227-3, and if the Buyer's liability to the Government is for the infringement of a United States patent related to the Goods, the Supplier shall indemnify the Buyer under the same provision provided for in FAR 52.227-3 which is incorporated herein by reference, except that the terms "Contractor", "Government", "contract" and "Contracting Officer" shall be replaced by "Supplier", "Buyer", "Order" and "Buyer" respectively.

42. U.S. GOVERNMENT CONTRACT CLAUSES INCORPORATED BY REFERENCE

The following provisions are flow downs that reference the Customer Contract.

- a. For covered subcontracts:
 - i. This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), -1.4(b), -300.5(a), and -741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or veteran status. These regulations also prohibit covered prime contractors and subcontractors from discharging or in any other manner discriminating against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant, except as otherwise set forth in CFR § 60-1.4(a)(3).
 - ii. This contractor and subcontractor shall abide by the employee notice requirements set forth in 29 C.F.R. Part 471, Appendix A to Subpart A.
- b. The clauses listed below are incorporated by reference herein and in this Order, as applicable, with the same force and effect as if they were given full text and notwithstanding the requirements of FAR 52.102. If there is a conflict with or addition to a clause in effect on the Order date and a clause of the Prime Contract, the Prime Contract clause shall govern. The full text of these clauses can be accessed on the Internet at <http://farsite.hill.af.mil/vffara.htm> and <http://www.acq.osd.mil/dpap/dars/dfars/index.htm>
- c. The clauses listed below may require the submission of certifications and representations. When requested by Buyer, Supplier shall furnish any certification or representation that Buyer determines is necessary for compliance with such requirements.
- d. Whenever necessary to make the context of the clauses applicable to this Order, the term "Contractor" shall mean Supplier, the term "Contract" shall mean this Order, and the term "Government", "Contracting Officer" and equivalent phrases shall mean Buyer, except the terms "Government" and "Contracting Officer" do not change: (a) in the phrases, "Government Property", "Government-Furnished Property", and "Government-Owned Property", (b) in the patent clauses incorporated herein, (c) when a right, act, authorization or obligation can be granted or performed only by the

Government or the Contracting Officer or a duly authorized representative, (d) when title to property is to be transferred directly to the Government, (e) when access to proprietary financial information or other proprietary data is required except as specifically otherwise provided herein, and (f) where specifically modified herein. All references to the clause entitled “Disputes” and all references to the “Disputes Clause” in any clauses referenced herein are deleted.

- e. The term “FAR” means the Federal Acquisition Regulation and the term “DFARS” means the Department of Defense Supplement to the Federal Acquisition Regulation as in effect on the date of this Order.

45. FORMATION OF CONTRACT

The following provision is a flow down that references the Customer Contract.

This Agreement, which incorporates by reference these General Provisions and all other terms and conditions set forth in this Agreement is Buyer's offer to purchase the Services described in this offer. Acceptance is strictly limited to the terms and conditions included in this offer. Unless specifically agreed to in writing by Buyer's Authorized Representative, Buyer objects to, and is

not bound by, any term or condition that differs from or adds to this offer. Supplier's commencement of performance or acceptance of this offer in any manner shall conclusively evidence acceptance of this offer as written. Supplier's provision of the Services shall be governed solely by this Agreement.

46. STANDARDS

The following provision is a flow down that references the Customer Contract.

Supplier shall assign personnel satisfactory to Buyer. Buyer may, for good cause shown in Buyer's reasonable determination, require Supplier to withdraw the services of any person and require that Supplier promptly provide replacements for such person satisfactory to Buyer.

47. PACKING AND SHIPPING

The following provision is a flow down that references the Customer Contract.

Supplier shall pack the goods and materials to prevent damage and deterioration. Unless otherwise set forth in this Agreement, Supplier shall package the goods in accordance with the requirements of the Supplier Statement of Work. Buyer may charge Supplier for damage to or deterioration of any goods resulting from improper packing or packaging.

48. SUPPLIER NOTICE OF DISCREPANCIES

The following provision is a flow down that references the Customer Contract.

- a. Supplier shall promptly notify Buyer in writing when discrepancies in Supplier's process, including any violation of or deviation from Supplier's approved inspection/quality control system, or goods/materials are discovered or suspected which may affect the Services delivered or to be delivered under this Contract.
- b. Whenever Supplier receives, either before or after shipment of goods under this Contract, notification that any of the goods, including any component, part, or material thereof, is the subject of a Government-Industry Data Exchange Program ("GIDEP") alert, Supplier shall promptly furnish such information to Buyer. If this Contract is over \$500,000, Supplier shall participate in GIDEP under the latest revision of GIDEP Requirements Guide, NAVSEA S0300-BU-GYD-010.

49. COUNTERFEIT GOODS

The following provision is a flow down that references the Customer Contract.

- a. Supplier shall not furnish Counterfeit Goods to Buyer, defined as goods or separately-identifiable items or components of goods that:
 - i. are an unauthorized copy or substitute of an Original Equipment Manufacturer or Original Component Manufacturer (collectively, "OEM") item;
 - ii. are not traceable to an OEM sufficient to ensure authenticity in OEM design and manufacture;
 - iii. do not contain proper external or internal materials or components required by the OEM or are not constructed in accordance with OEM design; (iv) have been re-worked, re-marked, re-labeled, repaired, refurbished, or otherwise modified from OEM design but not disclosed as such or are represented as OEM authentic or new; or
 - iv. have not passed successfully all OEM required testing, verification, screening, and quality control processes.

Notwithstanding the foregoing, Goods or items that contain modifications, repairs, re-work, or re-marking as a result of Supplier's or its subcontractor's design authority,

material review procedures, quality control processes or parts management plans, and that have not been misrepresented or mismarked without legal right to do so, shall not be deemed Counterfeit Goods. Counterfeit Goods shall be deemed nonconforming to this Contract.

- b. Supplier shall implement an appropriate strategy to ensure that goods furnished to Buyer under this Contract are not Counterfeit Goods. Supplier's strategy shall include, but is not limited to, the direct procurement of items from OEMs or authorized suppliers, conducting approved testing or inspection to ensure the authenticity of items, and, when items are to be procured from nonauthorized suppliers, obtaining from such non-authorized suppliers appropriate certificates of conformance that provide one or more of the following: (i) the OEM's original certificate of conformance for the item; (ii) sufficient records providing unbroken supply chain traceability to the OEM; or (iii) test and inspection records demonstrating the item's authenticity.
- c. If Supplier becomes aware or suspects that it has furnished Counterfeit Goods to Buyer under this Contract, Supplier promptly, but in no case later than thirty (30) calendar days from discovery, shall notify Buyer and replace, at Supplier's expense, such Counterfeit Goods with OEM or Buyer-approved goods that conform to the requirements of this Contract. For confirmed Counterfeit Goods, GIDEP notification shall also be made no later than sixty (60) calendar days after discovery. Supplier shall be liable for all costs related to the replacement of Counterfeit Goods and any testing or validation necessitated by the installation of authentic goods after Counterfeit Goods have been replaced.
- d. Supplier bears responsibility for procuring authentic goods or items from its subcontractors and shall ensure that all such subcontractors comply with the requirements of this Article.

50. ACCESS TO PLANTS AND PROPERTIES

The following provision is a flow down that references the Customer Contract.

Where Supplier is either entering or performing work at premises owned or controlled by Buyer or Buyer's customer or obtaining access electronically to Buyer systems or information, Supplier shall comply with:

- a. all the rules and regulations established by Buyer or Buyer's customer for access to and activities in and around premises controlled by Buyer or Buyer's customer; and
- b. Buyer requests for information and documentation to validate citizenship or immigration status of Supplier's personnel or subcontractor personnel. In addition, Supplier acknowledges that Buyer may perform routine background checks on Supplier personnel.
- c. Buyer acknowledges that access to premises owner or controlled by Buyer or Buyer's customer is at the discretion of Buyer and/or its customer.

NOTE: Supplier shall include the substance of this clause, including this flowdown requirement, in all subcontracts awarded by Supplier for work under this Contract.

51. ELECTRONIC ACCESS

The following provision is a flow down that references the Customer Contract.

- a. Buyer may (in its sole discretion) grant in writing to Supplier a limited, nontransferable, nonexclusive, revocable (in Buyer's sole discretion) right for Supplier personnel to access electronic information systems operated by or on behalf of Buyer, including, but not

limited to, facilities, network communications systems, telecommunications systems, software, applications, information and data, (collectively, the "Supplier Systems") during the term of this Contract to the extent necessary for Supplier to perform this Contract. Supplier personnel shall not access or use the Supplier Systems for any other purpose. Supplier and its personnels' access to and use of the Supplier Systems shall be in accordance with the Supplier Statement of Work.

SUPPLIER SYSTEMS ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, AND SUPPLIER EXPRESSLY AGREES THAT BUYER MAKES NO WARRANTY, EXPRESS OR IMPLIED, AS TO RELIABILITY AND AVAILABILITY OF ANY SUPPLIER SYSTEMS.

- b. In addition to any other rights and obligations set forth in any relevant Contract, Supplier acknowledges that any information accessed through the Supplier Systems, whether or not marked as "proprietary" or equivalent, shall be considered as proprietary to Buyer and shall be protected in accordance with the Confidential, Proprietary and Trade Secret Information and Materials Article of the Contract.
- c. Buyer shall have the right to audit Supplier's compliance with this Article.
- d. Supplier and Supplier personnel understand and consent as follows: Supplier and Supplier personnel have no reasonable expectation of privacy in any communications or data, personal or otherwise, transiting or stored on Supplier Systems; any communications or data transiting or stored on Supplier Systems may be monitored, intercepted, recorded, and searched at any time and for any lawful purpose, and may be used or disclosed for any lawful purpose.
- e. Any security breach of the Supplier Systems or other breach of the requirements of this Article, including the requirements set forth in the Terms of Use of Supplier Electronic Systems, shall be grounds for default in accordance with the Cancellation for Default Article of this Contract.

52. NO WAIVER, RIGHTS AND REMEDIES

The following provision is a flow down that references the Customer Contract.

Supplier agrees that Buyer approvals of Supplier's technical and quality specifications, drawings, plans, procedures, reports, and other submissions shall not relieve Supplier from its obligations to perform all requirements of this Agreement, unless otherwise provided in the Agreement.

53. PROTECTION OF PROPERTY

The following provision is a flow down that references the Customer Contract.

The following provisions shall only apply if and to the extent Supplier's personnel enter or perform work with respect to this Contract at premises owned or controlled by Buyer or Buyer's customer:

- a. Protection of Property: Supplier assumes, and shall ensure that all subcontractors thereof and their respective employees assume, the risk of loss or destruction of or damage to any property of such parties whether owned, hired, rented, borrowed or otherwise, brought to a facility owned or controlled by Buyer or Buyer's customer, except to the extent that such destruction or damage is a result of Buyer's negligence. Supplier waives, and shall ensure that any subcontractor thereof and their respective employees waive, all rights of recovery against Buyer, its subsidiaries and their respective directors, officers, employees and agents for any such loss, destruction or damage. At all times Supplier shall, and ensure that any subcontractor thereof shall, use suitable precautions to prevent damage to Buyer's property. If any such property is

damaged by the fault or negligence of Supplier or any subcontractor thereof, Supplier shall, at no cost to Buyer, promptly and equitably reimburse Buyer for such damage or repair or otherwise make good such property to Buyer's satisfaction. If Supplier fails to do so, Buyer may do so and recover from Supplier the cost thereof.

54. ENTIRE AGREEMENT

The following provision is a flow down that references the Customer Contract.

This Contract, together with all purchase orders, change orders, attachments, exhibits, supplements, specifications, and other terms referenced in this Contract, contains the entire agreement of the Parties and supersedes any and all prior agreements, understandings and communications between Buyer and Supplier related to the subject matter of this Contract. Except as authorized herein, no amendment or modification of this Contract shall bind either Party unless it is in writing and is signed by Buyer's Authorized Representative and an authorized representative of Supplier

55. C003 – ACCELERATED DELIVERY DESIRED (10/21/2005)

The following provision is a flow down that references the Customer Contract.

Accelerated delivery to the greatest extent possible in advance of the Contractual On Dock Schedule is desired.

Any accelerated delivery will be at no additional expense to the Buyer or its Customer. Notwithstanding anything to the contrary elsewhere in this contract, the payment-due date for deliveries made in accordance with this clause shall be computed from the latest of the actual delivery date.

56. C104 – COMMERCIAL BILL OF LADING – FREIGHT COLLECT

The following provision is a flow down that references the Customer Contract.

COMMERCIAL BILL OF LADING – FREIGHT COLLECT (12/15/2006)

Seller will ship via commercial bill of lading (CBL), freight collect.

57. E000 – SUPPLIER REQUIREMENT FOR BUYER/GOVERNMENT/CUSTOMER PROPERTY MANAGEMENT (VARIABLE)

The following provision is a flow down that references the Customer Contract.

SUPPLIER REQUIREMENTS FOR BUYER/GOVERNMENT/CUSTOMER PROPERTY MANAGEMENT (VARIABLE) (02/11/2014) As Modified for Pratt & Whitney MSRP FY15-FY17, 04/24/14)

- a. Provided Property authorized for use in support of this contract is identified in THE paragraph below and is subject to the following requirements: PROVIDED PROPERTY. For the purposes of this clause, Provided Property shall be defined as Buyer, U.S. Government (hereafter referred to as Government), or Customer property which is: already in possession of the Seller; to be furnished to the Seller; or to be acquired or fabricated under this Contract.
- b. NOTIFICATION OF ACQUISITION OR FABRICATION OF BUYER, GOVERNMENT OR CUSTOMER PROPERTY. Upon Buyer's approval, in the event Seller acquires or fabricates Buyer, Government, or Customer property, (excluding material as defined in FAR 45.101), upon completion of such acquisition or fabrication Seller shall submit, an invoice and itemized property listing to Buyer. Buyer will not make payment for the

fabrication or acquisition of such property unless a property listing is provided with the Buyer's invoice or through the Vendor Inventory Process (VIP), when applicable. When submitting a manual property listing (not through VIP), submittals will contain, at a minimum, the following data elements for each item fabricated or acquired: 1) The name, part number and description, manufacturer, model number, and National Stock Number (if needed for additional item identification tracking and/or disposition). 2) Quantity received (or fabricated), issued, and balance-on-hand. 3) Unit acquisition cost. 4) Unique-item identifier or equivalent (if available and necessary for individual item tracking). 5) Unit of measure. 6) Accountable contract number or equivalent code designation. 7) Location. 8) Disposition. 9) Posting reference and date of transaction. 10) Date placed in service.

- c. BUYER'S PROPERTY. If Buyer provides property to Seller under this contract, such Buyer's property will be subject to the provisions regarding Buyer's property in the General Provisions section of this contract.
- d. CUSTOMER'S PROPERTY. If Buyer provides property of its Customer, other than the Government, to Seller, such Customer's property will be subject to the provisions regarding Customer's property in the FAR/DFARS chart governing this Contract, or in the absence of such provisions in the FAR/DFARS chart, to the provisions regarding Buyer's property section A of Attachment 10 of this Agreement.
- e. GOVERNMENT PROPERTY. If Buyer provides Government owned property to Seller, such Government property will be subject to the provisions regarding Government property in the FAR/DFARS chart governing this Contract and the requirements listed below in this clause.
- f. Seller acknowledges that all Government property furnished to, or acquired by Seller for use on this Contract is subject to the requirements of Federal Acquisition Regulation (FAR) 52.245-1 or the Government property clause incorporated in the customer contract as referenced in the FAR/DFARS chart. Seller shall manage Government property in its possession and control from acquisition to relief of stewardship consistent with the requirements of the FAR and include the substance of this clause in all subcontracts under which Government property, as defined in the applicable Government property clause, is acquired or furnished.
- g. Seller further agrees to the following requirements of this Contract which are necessary for Buyer to comply with its obligations for the management of Government property under Buyer's prime contract or higher subcontract: 1) Use of Government Property. Seller shall use Government property, either furnished or acquired under this Contract, only for performing this Contract, unless otherwise provided for in this Contract and approved by Buyer in writing. 2) Delivery of Government Property. In the event Government property is not delivered to Seller by the dates stated in this Contract or Government property is received in a condition not suitable for its intended use, Buyer shall, upon Seller's written request, advise Seller on a course of action to remedy the late or unsuitable condition of the Government Property, provided that Seller shall be compensated for any additional cost of such remedial action. 3) In the event Government property is furnished in an "as-is" condition, any repairs, replacement, and/or refurbishment shall be at Seller's expense. Seller will be provided the opportunity to inspect all Government property prior to acceptance. If the presented property is determined by the Seller to be unsuitable, the Seller may elect to not accept presented Government property. Buyer may by written notice increase or decrease the amount of Government property under this Contract, substitute other Government

property, or withdraw authority to use Government property under this Contract. Seller will be provided a minimum of 90 calendar days to determine the impact of any Buyer proposed decrease in the amount of Government property available under this contract.

- h. Seller Plans and Systems: Seller shall furnish a written statement to Buyer containing all relevant facts if overages, shortages or damages or other discrepancies are discovered upon receipt of Government property. Unless otherwise directed by Buyer, Seller shall investigate and promptly furnish a written narrative of all incidents of loss, of Government property, to Buyer as soon as the facts become known. Seller shall disclose and report to Buyer the need for replacement and/or capital rehabilitation of Government property. Seller shall promptly perform and report to Buyer contract property closeout, in accordance with FAR 52.245-1(e)(x). Seller shall disclose any findings or results of reviews, analyses and assessments that may affect Buyer's rights under this article.
- i. Systems Analysis: Buyer and the Government shall have access to Seller's premises and all Government property, at reasonable times, for the purposes of reviewing, inspecting and evaluating Seller's property management plan(s), systems, procedures, records, reports and supporting documentation that pertain to Government property accountable to Boeing. In the event Buyer identifies a deficiency or inadequacy relating to Seller's management of Government property accountable to this Contract, Seller shall prepare a corrective action plan when requested by Buyer and take all necessary corrective actions as specified within the Seller and Buyer mutually agreed to corrective action plan that is in accordance with FAR 52-245-1.
- j. Seller Liability for Government property: Seller shall take all reasonable actions necessary to protect Government property from loss. Seller shall separate damaged and undamaged Government property, and take such other action consistent with Seller's Government property control procedures direct.
- k. Other. If Seller's property management system is reviewed by the United States Government (USG), Seller shall provide Buyer a copy of Seller's US Government system status letter indicating status of Seller's property-control system and any supporting documentation if applicable. If Seller's property-control system is not reviewed by the US Government, Seller must make available one of the following: Seller's property-management plan; or Seller's current property-control procedures. Seller shall promptly notify Buyer in writing of Seller's relocation, name change or discontinuance of business as soon as such conditions are known. If Seller intends to relocate, no Government property may be moved to the new location without Buyer's prior written authorization. Buyer may provide property identification numbered stickers or metal tags for affixing to Government property acquired or fabricated under this Contract. Seller will provide access to the property such that the Buyer can affix the stickers or tags to Government property. Reports, documents, inventories and correspondence referring to Government property will include Buyer's property identification number as part of the descriptive data providing Buyer property tags have been applied and are legible.
- l. Communication: Seller shall consult with Buyer on any unique property circumstances or requirements not covered by this article. All communications required under this article shall be in writing.

58. PROVIDED PROPERTY AUTHORIZED FOR USE IN THE PERFORMANCE OF THIS CONTRACT

The following provision is a flow down that references the Customer Contract.

Provided property will be identified in Purchase Orders issued by the Buyer and in Exhibit J - Rotable Pool Reporting Template. Such property may not be used in support of any other contract unless specifically authorized by the Buyer and identified within the equivalent terms and conditions of the subsequent contract. Any additional property provided during the performance of this contract will be subsequently added to this Contract.

59. COUNTERFEIT ELECTRONIC PARTS DETECTION AND AVOIDANCE SYSTEM REQUIREMENTS (01/14/2015)

The following provision is a flow down that references the Customer Contract.

Seller shall meet the following additional requirements for electronic parts procured by or on behalf of Seller:

1. Seller shall implement a counterfeit electronic parts detection and avoidance system consistent with the requirements of the latest dated version of SAE standard AS5553 or equivalent aviation regulation, as of the effective date of this contract.
2. Seller shall include the substance of this article, including this flowdown requirement, in all subcontracts for electronic parts awarded by Seller for work under this Contract.

60. DPAS RATING

This Agreement is DPAS Rated.

The F117 control and accessory repair effort has a DO-A1 DPAS rating with which Supplier must comply when scheduling work. In accordance with DPAS 700.14(b) and other applicable DPAS regulations, work in support of rated contracts must be given production preference over unrated orders, even if doing so requires the diversion of items (to include but not be limited to labor, material, engineering services and test facility resources) being processed or ready for delivery against unrated orders. If this order references a U.S. Government contract number and is a rated order, certified for National Defense use, the Supplier is required to follow all provisions of the Defense Priorities and Allocation System Regulations. (15 CFR 700).

61. REPAIR INSTRUCTIONS

1. Functionally test, repair as necessary I.A.W. the latest OEM CMM and P&W Engine Manual No. 1B2414, and certify as "REPAIRED", "OVERHAULED", "INSPECTED", "TESTED", or "MODIFIED". Incorporate all applicable Airworthiness Directives and Service Bulletins.

****DO NOT PROCEED WITH REPAIR NOT IDENTIFIED WITHIN THE REPAIR ORDER UNTIL WRITTEN APPROVAL HAS BEEN RECEIVED. AAR WILL NOT PAY FOR ANY WORK PERFORMED THAT HAS NOT BEEN QUOTED AND APPROVED** **VENDOR MUST HAVE APPROVAL BEFORE ANY PART CAN BE SUBCONTRACTED OUT TO ANOTHER VENDOR FOR REPAIR/OVERHAUL****

2. Damage: The Supplier will advise Buyer immediately if a Component is found to be damaged on receipt or possession by Supplier. The Supplier will submit digital photos as evidence.
3. Shop Visit Report: The subcontractor shall provide a Shop Visit Report, in accordance with the subcontractor's chosen format, to AAR within 24 hours after shipment or as otherwise directed by AAR to enable AAR to document the scope of work performed on the components. This shop findings/visit report shall be provided regardless of whether the component was scrapped, the reported problem could not be duplicated or the component was repaired. This report shall include but not be limited to the following information: OEM Part number and NSN, Nomenclature, Serial number (if applicable),

Root cause of reported problem (if confirmed), Corrective action taken, Identify subassemblies and consumables replaced (including part number, nomenclature and quantity), Parts exchanged from other items (including part number, serial number-if applicable, and original item part number and serial number-if applicable).

The Shop Visit Report shall contain part numbers and serial numbers (as applicable) of any detail parts that are cannibalized out of one unit to expedite the repair of another unit.

4. Requirements: All work on Components will be performed in accordance with the requirements of the Repair Order, the latest revision standard of the Original Equipment Manufacturer Component Maintenance Manual (OEM CMM) and, as applicable, the P&W Engine Manual No. 1B2414 unless otherwise agreed between the parties as part of a quotation process after inspection (if applicable over and above work scope). The subcontractor shall maintain the component individual parts/component integrity in accordance with the following: Original Equipment Manufacturer Component Maintenance Manual (OEM CMM), and P&W Engine Manual No. 1B2414.

Inspection requirements, repairs and limitations shall be in accordance with the most updated edition of the technical data effective at the time of repair.

All services in regards to this agreement shall be performed by the subcontractor and not subcontracted to any 3rd party.

The subcontractor shall purchase all necessary component part detail material from the OEM-approved sources needed to repair the components. Subcontractor is not authorized to cannibalize detail parts between failed components.

5. Beyond Physical Repair: If during test, teardown, evaluation, or major repair or minor repair, the Supplier estimates the component to be beyond physical repair (BPR), subcontractor shall immediately notify Buyer for disposition instructions. Subcontractor will provide component information to include part name, part number, serial number, condition findings, failed component part number, description, recommendation and photographs for BPR evaluation as requested by Buyer.

Repair for components AAR's designates as BPR will be considered over-and-above. If components are BPR and Buyer directs repair, Supplier shall repair the item and return to Buyer in accordance with mutually agreed upon pricing. Buyer shall issue an updated Repair Order to reflect the revised work scope.

6. Change Request Template: If after receipt of the Repair Order, the subcontractor determines that the workscope needs to be modified (e.g. from minor repair to major repair or from minor repair to test), the subcontractor shall provide this request utilizing a Change Request Template to the Buyer for disposition and stop all work on the component until a disposition is provided. Subcontractor shall request the Change Request Template to be utilized from Buyer and Buyer will furnish said template to subcontractor. At a minimum, workscope change request to AAR shall contain the minimum following information: Repair Order #, Date Submitted, OEM Part Number, NSN, Part Nomenclature, List Serial Number, Reason of Change Request, Submitted by Contact Information.

If the workscope change is approved by Buyer, Buyer shall issue an updated Repair Order to authorize continuence of the work. If the request is not approved by Buyer, then the subcontractor shall coordinate with the Buyer for disposition instructions.

7. Service Bulletins: The Supplier shall incorporate applicable FAA Airworthiness Directives and OEM Service Bulletins (SBs), defined by SB category number. The Supplier shall incorporate applicable SBs as requested by Buyer. These SBs must be incorporated at time of induction, except for immediate or urgent SBs, which shall be incorporated before returning the C&A to serviceable status (i.e., incorporation on work in process [WIP] required). The Supplier will coordinate with Buyer for approval to incorporate Airworthiness Directives and SBs for C&As. Supplier shall notify Buyer of Service Bulletins that require a change of part numbers during the repair process as soon as reasonably possible, but no later than repaired C&A component is scheduled for shipment. The Supplier shall initiate and maintain a tracking program for OEM Service Bulletins, FAA Airworthiness Directives, and Service Bulletins reflecting the OEM build standard. The Supplier shall also track Service Bulletins incorporated into C&A items accomplished by the Supplier and provide record of Service Bulletin incorporation to Buyer upon completion of repair.

For service bulletins not included within the subcontractor's firm-fixed pricing, subcontractor must receive written approval from the Buyer prior to incorporation and will be considered over-and-above.

8. Over and Above: When over-and-above workscope is required, the subcontractor shall stop all work on the component until a disposition is provided by Buyer. Subcontractor will provide a quote for the over-and-above work scope which includes separate line item details for labor and material. Upon acceptance, Buyer shall issue an updated Repair Order to authorize continuence of the work in accordance with the agreed upon pricing and turn-around time.

Quotes to be sent to: F117RFQ.AGS@aarcorp.com

62. QUALITY ASSURANCE

It is the subcontractor's responsibility to understand and comply with requirements of each component. Subcontractor shall contact Buyer in writing for clarification when ambiguities in requirements are discovered.

- a. Subcontractor warrants that repair of components conform to the requirements and are fit for their intended purpose (e.g., blueprint dimensions, Douglas Process Specifications [DPSs], and Douglas Material Specifications [DMSs], and Qualified Products List [QPL] or other uses). Subcontractor will provide a Certificate of Conformance (COC) for shipments, as applicable.
- b. Subcontractor's contractual documentation must be in a form that may be understood by Buyer and/or Buyer's customer representatives. Specifically, the Subcontractor must have current copies of the Quality Manual, and procedures in English.
- c. Subcontractor is responsible for the quality of products purchased from subcontractors, including customer-designated sources. Subcontractor must flow down applicable contract requirements (e.g., blueprint dimensions, DPS, DMS, and QPL) in the purchasing documents to subtiers. Appropriate measures must be taken with regard to

- subtier compliance to requirements. Subcontractor must have controls to prevent foreign object damage (FOD).
- d. Approval/verification of parts or processes, by Buyer and/or Buyer's Customer representatives, does not absolve the Subcontractor of the responsibility to provide acceptable product, nor shall it preclude subsequent rejection by the Buyer.
 - i. The overarching program quality requirements can be found in the Subcontractor Quality System Requirements for Maintenance Organizations, available at: <http://www.utc.com/Subcontractors/Documents/asqr02.pdf>.
 - ii. The Foreign Object Damage/Debris Prevention, Handling, Storage, Packaging, Preservation, and Delivery of Product, Material or Services supplied, is available at http://www.utc.com/Subcontractors/Documents/asqr15_1.pdf.
 - e. Subcontractor's facility used must have and maintain approval to SAE AS9100 and AS9110. Additional requirements found in PW CE-AO 7.7.4S.
 - f. During the course of repair, the discovery of any maintenance or repair issue not previously known at induction will be identified by Subcontractor for review and for further action, as applicable. When unique or previously unknown anomalies are identified during the repair process, Subcontractor shall initiate a F117 Significant Event utilizing a Significant Event Form and provide the completed form to the Buyer. Subcontractor shall request from Buyer the Significant Event Form template to be utilized and Buyer will furnish said form to subcontractor.
 - g. Subcontractor Deficiency Reports (SDR) are issued to repair locations by the Customer's F117 Program Quality Manager when a nonconformance is found on F117 EBUs, modules, and components or upon notification of a significant customer escape. SDRs require documentation of root cause and the corrective action implemented to preclude recurrence of the escape. Subcontractor shall respond to SDRs within 25 calendar days of receipt.
 - h. Significant Customer Escape is an external customer escape event that results in significant customer impact:
 - i. Category 1: Critical Escape — a process or technical issue that results in an inability to operate or a risk to operation (e.g., in-flight shutdown, product/flight safety, flight restriction, engine mishap)
 - ii. Category 2: Major Escape — a process or technical issue, except a Category 1 issue, that results in a field action required by the customer (e.g., shelf stock inspection, product recall, borescope inspection, remove and replace, remove at less than full life, maintenance or workflow disruption)
 - iii. Other Customer Escape:
 - 1) Category 3: Minor Escape — other customer escape events that are not Category 1 or 2.
 - 2) Internal Escape — any product or service that is delivered which contains a nonconformance (e.g., left a process) to an internal customer causing a disruption to the customer's work flow or business process (e.g., Business Unit to Business Unit; Organization to Organization)
 - i. Subcontractor shall inform Buyer within 24 hours of discovery of suspect nonconforming product having been shipped regardless of destination. The F117 Significant Event form shall be the method of communication, unless otherwise dictated by the Buyer.
 - j. The Subcontractor is required to protect all information generated, either physical or electronic, as part of this Repair Order.

63. SHIPPING

Vendor shall include two copies of the following documentation, one copy shall be attached to the outside of the shipping container and one copy shall be inside the shipping container with the repaired part.

- a. All documents shall include:
 - i. Both OEM PN and the P&W PN
 - ii. DD-1574 and COC, or commercial equivalent FAA 8130
 - iii. Packing Slip
- b. Final Repair Report / Shop Visit Report
 - i. Vendor must ALSO provide a copy of the final Repair / Shop Visit Report to AAR via email upon shipment.
- c. Hold for shipping label & instructions
 - i. Please contact F117RFQ.AGS@aarcorp.com for shipping instructions
- d. NOTIFY IF HAZMAT HANDLING REQUIRED
 - i. Package one unit or set per box for return

The Supplier shall implement procedures to preserve, package, handle, store, and ship completed items, aside from the EEC and the FCU, in a manner to prevent damage, deterioration or loss in accordance with best commercial practices as specified within ATAA300 Packaging of Airline Supplies (Revision 19) and ASTM D3951 Standard practice for commercial packaging.

For hazardous materials, performance-oriented packaging shall be accomplished in accordance with AFJ24-210. Packaging also dictated by mode of shipment. For commercial air, IATA applies.

FAILURE TO COMPLY WITH THESE INSTRUCTIONS SHALL ENTITLE AAR TO DEDUCT COSTS FOR ADDITIONAL CARRIAGE AND STORAGE.

64. REPORTING REQUIREMENTS

Subcontractor shall provide a Shop Visit Report to the Buyer designated representative or data repository, within 24 hours after shipment, in accordance with the Buyer's required format. Subcontractor will request the format from the Buyer and Buyer will furnish to the subcontractor the required format. This shop findings/visit report shall be provided regardless of whether the furnished component was scrapped, the reported problem could not be duplicated or the component was repaired. This report shall include but not be limited to the following information:

- a. OEM Part number and P&W Part Number
- b. Nomenclature
- c. Serial number (if applicable)
- d. Root cause of reported problem (if confirmed)
- e. Corrective action taken
- f. Identify subassemblies and consumables replaced (including part number, nomenclature and quantity)
- g. Parts exchanged from other items (including part number, serial number-if applicable, original item part number and serial number-if applicable)
- h. The Shop Visit Report shall contain part numbers and serial numbers (as applicable) of any detail parts that are cannibalized out of one unit to expedite the repair of another unit.

Subcontractor shall provide twice weekly component repair status to Buyer, which will include the units being processed through Subcontractor's Source of Repair (SOR) and any parts closed within the last 14 calendar days. This status report will provide separate status for repairs to include repair actions, could not duplicate (CND), and condemnation actions. These status reports shall be in Buyer's designated format. The subcontractor will request from Buyer the report template and Buyer will provide the report template to the subcontractor. The status report will include the following minimum information for only those items that exceed a 35 calendar day TAT for each component:

- a. AAR Repair order number and P&W PO number, Boeing PC number
- b. OEM part number and P&W Part number, NSN (as applicable NSL if no NSN), nomenclature and serial number
- c. Actual receiving date at Supplier's facility
- d. Estimated shipping date and revised shipping date of repaired component
- e. Actual shipping date of repaired component
- f. General remarks of depicting current status of the C&A components in repair
- g. Shipping bill of lading number and carrier
- h. Exception reports as required (e.g., delayed repairs, reason for delays, or shipping damage).

65. LOSS, DAMAGE, OR DESTRUCTION

Loss, damage, or destruction (LDD) of controls & accessories components while in subcontractor's care, custody, or control shall be the responsibility of the subcontractor. In the event of component loss, damage or destruction, within 36 hours of becoming aware of the LDD incident, the subcontractor will issue a Lost, Damaged, and/or Destroyed Report in accordance with Buyer's designated format. Subcontractor will request from Buyer the report format and Buyer will furnish the required format to the subcontractor. Within 30 calendar days of submittal of an LDD Report, Supplier will provide a credit, as calculated by Buyer, to the Buyer for the value of the material lost or destroyed.

66. ANTI-DEBARMENT

Any representations and certifications submitted resulting in award of this Subcontract are hereby incorporated either in full text or by reference, and any updated representations and certifications submitted thereafter are incorporated by reference and made a part of this Subcontract with the same force and effect as if they were incorporated by full text. By signing this Subcontract, the Subcontractor hereby certifies that as of the time of award of this Subcontract:

- 1) the Subcontractor, or its principals, is not debarred, suspended or proposed for debarment or declared ineligible for award by any Federal agency;
- 2) no Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress on its behalf in connection with awarding the contract or this Subcontract; and
- 3) no changes have occurred to any other representations and certifications made by the Subcontractor resulting in award of this subcontract.

The Subcontractor agrees to promptly notify the AAR Subcontracts Administrator/Buyer of any changes occurring at any time during performance of this Subcontract to any representations and certifications submitted by the Subcontractor.
